No. 23. Read the following Proceedings of the Board of Revenue, dated 20th June 1859, No. 2352.

Read letter from the Chief Commissioner of Mofussil Police, dated 13th June 1859, No. —.

(In Con. 14th June 1859, No. 2700.)

In their Proceedings of the 7th April 1857, the Board laid before Government the proposition of the Collector of Bellary, for the entertainment of an Extra Police Force, in consequence of the transfer, to his charge, of the Bruce Pettah of Bellary Town, which previously formed part of the Military Cantonment.

2. Among the extra servants applied for, was a Police Ameen, on Rupees 50 per mensem, whose services, the Board thought, would not be necessary, if a Deputy Collector and Magistrate were appointed to Bellary, as then contemplated by them.

E. M. C. 20th February 1858, *R. D. No.* 225, *in Con. 26th February* 1858, *No.* 838.

3. The Government of India sanctioned the establishment sought, but "on the understanding that the services of the Ameen will be dispensed with in the event of a Deputy Collector and Magistrate being hereafter attached to the District.

From Bellary 30th March, in Con. 4th April 1859, *No.* 1478.

4. Two officers of this grade have now been nominated to the District, but the late Collector has urged on the Board the necessity of still retaining the Ameen, at least until the arrangements consequent on the appointment of these officers are made and are in effectual operation, if not also until the new Police system is introduced.

From Chief Commissioner of Police 13*th in Con.* 14*th June* 1859.

5. The Chief Commissioner of Mofussil Police informs the Board that "under the new Police arrangements, probably more than an executive officer of the character of a Police Ameen will be required for the town of Bellary," and he would "strongly advocate that, if possible, no change be made in the present arrangement until the new Police system can be introduced there."

6. Under these circumstances the Board deem it necessary that the services of the Police Ameem should be retained for the present, and resolve to submit the case for the orders of Government.

No. 24. ORDER THEREON, 11th July 1859, No. 922.

Pending application to the Government of India, the services of the Police Ameen will be retained.

(Signed) J. D. BOURDILLON,
Secretary to Government.

Ordered in consequence that the following letter be despatched.

No. 25. From J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department; to C. BEADON, Esq., Secretary to the Government of India; dated 11th July 1859, No. 923.

* *Council Chamber, 8th Jan.* 1858, *No.* 116, *communicated by an endorsement in the Home Department* 15*th Jan.* 1858, *No.* 159.

On the application of this Government, the Government of India in January* 1858, sanctioned the employment of a Police Ameen and establishment at a total monthly cost of 236 Rupees, for the town of Bellary, in consequence of the transfer to Civil jurisdiction of the division of Brucepettah and Mellorpettah with a population of 20,000, previously included within the limits of the Military Cantonment; on

the understanding however, that the services of the Ameen were to be dispensed with in the event of a Deputy Collector and Magistrate being attached to the district. Two officers of this class have now been appointed to the Bellary District; but the Board of Revenue, on the strong recommendation of Mr. Pelly the Collector, have applied for permission to retain the services of the Ameen until the new Police arrangements can be introduced into Bellary.

2. A Police Ameen performs some duties which a Deputy Collector and Magistrate could not perform; for instance, holding inquests, personally superintending the search of houses, &c.: and it is not desirable to throw too much petty magisterial work on the Uncovenanted Deputy Collector and Magistrate at the Hoozoor in Bellary, who has charge of the Treasury also; while the amount of the Ameen's salary, viz. 50 Rupees, is small.

3. I am directed therefore to submit the recommendation of this Government, that the services of the Ameen may be retained until the new Police arrangements can be introduced into Bellary.

In Con. 4th April 1859, No. 1478.

From C. PELLY, Esq., Collector of BELLARY,

dated Ramandroog, 30th March 1859, No. 39.

With reference to Extract from the Minutes of Consultation, No. 225, dated 20th February 1858, communicated in Board's Proceedings, No. 725 of 26th idem, conveying the sanction of the Government of India for an increase to the Magistrate's establishment of this District on account of the transfer of Bruce and Mellor pettah from the Military to the Civil Authorities, with a remark that the services of the Ameen will be dispensed with in the event of a Deputy Collector and Magistrate being attached to this District, I have the honor to bring the matter now to the notice of the Board of Revenue, as two Deputy Collectors and Magistrates have been posted to this District, and to request the Board of Revenue to recommend to Government the continuance of the office of Ameen of the town of Bellary till the separation of the Police from the Magistracy is settled, as it is very essential that there should be a responsible Police Officer for such a large town as Bellary, besides a Deputy Magistrate whose duties are different. It will be necessary to retain the services of the Ameen for a short time at least, until the arrangements that will have to be made consequent on the appointment of the Deputy Collector and Magistrate can be fully made, and I request sanction for this.

In Con 14th June 1859, No. 2760.

From W. ROBINSON, Esq., Chief Commissioner of Mofussil Police,
dated Chittoor, 13th June 1859.

With reference to Extract Proceedings of the Board of Revenue dated 6th instant, I have the honor to state that under the new Police arrangements probably more than an Executive Officer of the character of a Police Ameen will be required for the town of Bellary, and I would strongly advocate that if possible no change be made in the present arrangement until the new Police system can be introduced there.
