In para. 4 of Extract from Minutes of Consultation, dated 19th March 1857, R. D., No. 271, Government desired the Board of Revenue to obtain from the Acting Collector of Guntoor, a revised scheme for providing an establishment for his press, so as to include contingencies.

2. Since that date the correspondence noted in the margin, has passed between this office and the officers in charge of the District on the subject.

3. The Board were desirous of obtaining an efficient establishment for the Guntoor press, and of providing for the increased expenses by reductions in those Departments in which labour will be lessened by the introduction of printing.

4. From the letter recorded at the head of these Proceedings, it will be seen that the Head Assistant in charge has effected the necessary arrangements, and exhibits them in the statement submitted by him.

5. This statement is not, however, in the prescribed form, but as the information requisite to complete it is procurable from a previous form submitted by the late Acting Collector, the Board have had a revised statement prepared in their own office, exhibiting the whole of the proposed changes, and they resolve to submit it for the sanction of Government.

Collector of Guntoor, dated 1st August
1837, submitting a revised State-
ment for meeting the expenses
of his Press Establishment.

Let Cons. 23 Oct No 137.

1 The Government have on
so many occasions refused to
sanction reductions in Depart-
ments not affected by printing,
that the Board consider it useless
to submit the present proposition.

2 They have no resource but to
request the Acting Collector to
dispense with the services of an
another Copyist and pass his
Salary to the Press Fund.

No. 1680.

Extract from the Proceedings of the Board of Revenue, dated 12th May 1858.

In Con. 16th Jan. and 12th May 1858.

Read letters from the Collector of Guntoor, dated 7th December 1857 and 20th March 1858.

[Here enter No. 23.]

In Con. 8th April 1858.

In Extract Minutes Consultation, dated 19th March 1857, R. D. No. 271, Government objected to the proposal of the Acting Collector of Guntoor to meet the expenses of his Press establishment by reductions in his office equivalent to Rs. 70 per mensem, leaving the balance of the charge Rs. 12 and a small sum requisite for Contingencies to be made good by the earnings of the Press from other Departments.

In Con. 23d Augt. 1857.

2. In his letter of 1st August 1857, the Acting Collector suggested a slight modification in the pay of the Press establishment, raising it from 82 to 85 Rs., and proposed to reduce the pay of his Translator from 70 to 50 Rs; the 20 Rs. thus obtained with the 70 previously made available being equivalent to the Press charge and leaving 5 Rs. surplus for Contingencies.

Pro. 28d Oct. 1857.

3. This arrangement was objected to by the Board as being opposed to the repeated orders of Government, requiring reductions to be made only in those Departments, the work of which would be lessened by the substitution of printing for writing.

7th Dec. 1857, in Con. 16th Jan. 1858.
20th March, in Con. 12th May 1858.

4. In the two letters above recorded, of dates as per margin, the Collector Mr. Wood proposes to meet the difficulty by reducing the pay of the Press establishment to Rs. 70 per mensem, and to supply the small sum required for Contingencies from his Saderwared allowance.

5. The Board fear that this arrangement would cripple the efficiency of the Press, the value of which when properly worked is shewn in the last Annual Report.

6. They are constrained therefore to request the Collector without further delay to dispense with the services of any person employed in his office as a writer and copyist, and thus to make good the 17 Rs. required to meet the expenses orginally proposed by Mr. Newill. This plan has been adopted in other districts, and the Board do not see on what grounds they can recommend an exception in regard to Guntoor.
