PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from Lieutenant-Colonel J. H. BELL, Chief Engineer; to J. D. BOURDILLON, Esq., Secretary to Government, dated 1st July 1859, No. 2292.

With reference to the Proceedings of the Madras Government No. 1482 dated 16th Ultimo, I have the honor to forward for information, the accompanying letter from the District Engineer, North Arcot, reporting that in consequence of the limited accommodation afforded in the bungalow built at Palmanair for the use of the road department, it can hardly be made available as a Rest house for troops.

1 Letter from the District Engineer, North Arcot, No. 322, dated 25th June 1859.

2. It might perhaps be desirable to appropriate the present traveller's bungalow as a Soldier's Rest house, and either purchase or rent a private house, of which there are several, as a traveller's bungalow, as it seems almost necessary to provide some shelter for Soldiers at Palmanair. The traveller's bungalow is very old and unsuitable for its present purpose.

3. As the road by Palmanair will not be used for transit after the opening of the railway to Tripatore, it will be better to hire, than to purchase a bungalow for travellers.

Letter from Captain H. L. PRENDERGAST, District Engineer of North Arcot; to the Deputy Chief Engineer, dated Ranepett, 25th June 1859, No. 322.

With reference to your orders No. 1873 of the 21st Instant, I have the honor to report that the road bungalow at Palmanair can hardly be made available as a Rest house for troops: it is so very small, consisting of two rooms, which do not afford more accommodation than a Subaltern's tent.

ORDER THEREON, 6th July 1859, No. 1644.

Ordered to be communicated to the Military Department with reference to the order in that Department dated June 6th 1859, No. 1975.
