Extract Minutes of Consultation in the Revenue Department.	(Here enter 22nd March and 8th April 1859, Nos. 380 and 488.)
Proceedings of Government in the Public Department.	(Here enter 23rd June 1859, No. 981.)

Read also the following letter from the Director of Revenue Settlement.

Submits an original letter from Captain Priestly, relative to the serious embarrassment experienced by him from the withdrawal of Extract Minutes Consultation, 8th April last, and furnishes explanation, trusting that the Government may yet be pleased "to revert to the sanction already in Extract Minutes Consultation of 8th April last, for the completion of establishments without subsequent restriction placed upon it in Proceedings of Government, No. 981."	(Here enter 7th July 1859, No. 584.)

ORDER THEREON, 19th July 1859, No. 1100.

The Governor in Council allows the servants who have been already entertained by the Director of Revenue Settlement and Superintendent of Revenue Survey under a misapprehension of the intentions of Government, being retained in their Offices, on condition of their passing at the next Uncovenanted Service Examination.

2. He also permits any more Draughtsmen and Lithographers who may be required to complete the establishment being entertained on the like condition.

3. But as respects servants of other classes—Examiners, Clerks, and Writers, not now engaged—he does not see reason for departing from the orders of the 23rd Ultimo.
