(In Con. 14th May 1859, No. 2182.)

Resolved that the foregoing letter be submitted for the orders of the Honorable the Governor in Council.

2. Under the circumstances represented by the Collector, the Board of Revenue recommend that sanction be granted for renting a private godown at a monthly rent of 28 Rupees for the Sea Custom House at Negapatam, until the building hitherto used for that purpose and recently purchased by Government shall have been repaired, and for including the rent in the Contingent charges.

From W. M. CADELL, Esq., Collector of TANJORE,
dated Tanquebar, 11th May 1859, No. 109.

The Board are aware that the building occupied for many years past as the Sea Custom House at Negapatam, has been lately purchased by Government under the orders noted in the margin.

E. M. C. 14th Oct. 1858, No. 2166.

2. The building is, however, very much in need of repair, and although preparations were and are being made for having it put in order as soon as possible, the structure itself has been so damaged by the late hurricane that it is considered unsafe to occupy it any longer. Under these circumstances, arrangements have been made from the first current for renting a private godown in the immediate vicinity to be occupied temporarily as the Sea Custom office, and the rent for which has been fixed at Rupees 28 monthly.

3. I beg therefore to solicit the authority of the Board for including this sum monthly in my contingent charges and till the Government building is available.

4. The use of the temporary godown will probably be required for a period of three or four months, but the District Engineer has been requested to expedite the completion of the repairs as fast as possible.
