MADRAS RECORD OFFICE.

Government of Madras.

Revenue **DEPARTMENT.**

G.O. No. 843	Press Mis.
Dated 1st July	1859.

Not to be folded or roughly handled

Proceedings of the Madras Government, Revenue Department, from 25th June to 1st July 1859.

No. 11. Read the following letter from G. N. TAYLOR, Esq., Inam Commissioner; to J. D. BOURDILLON, Esq., Secretary to Government; dated Madras, 20th June 1859, No. 57.

In submitting the accompanying Estimate of the cost of furniture, &c., required for the use of my Establishment and those of my Special Assistants, I have the honor to solicit the sanction of Government to enable me to have such of the articles as are immediately required made up at once at the Presidency, and the remainder to be manufactured at Masulipatam where they can be completed to await my arrival.

2. The articles entered in the Estimate are those which are, or will be absolutely required for the use of the office, and their probable cost amounts to Rupees (733-8-0) seven hundred and thirty-three and annas eight. The rates are those which were actually paid for similar articles manufactured at Madras for the office of the Director of Revenue Settlement but the cost at Masulipatam will probably be much less.

3. As it is desirable that these articles should be put in hand without loss of time I venture to solicit that the Accountant General may be authorized to hold at my disposal the total amount of the Estimate, to be disbursed to me either at Madras or Masulipatam as I may require, the same being adjusted on the Bills being passed.

No. 12. ORDER THEREON, 25th June 1859, No. 843.

The Government authorize the Accountant General to hold at the disposal of the Inam Commissioner the sum of Rupees (733-8-0) seven hundred and thirty three and annas eight being the estimated cost of the furniture and other articles required for the use of his office.

(Signed) J. D. BOURDILLON,
Secretary to Government.
