PUBLIC DEPARTMENT.

PROCEEDINGS of the MADRAS GOVERNMENT.

Read the following letter from H. NEWILL, Esq., Director of Revenue Settlement; to J. D. BOURDILLON, Esq., Secretary to Government, Fort Saint George, dated 4th June 1859, No. 484.

Para. 1. The Civil Auditor having declined to pass the salary bills of my Central Office without the Certificate prescribed by the Notification of 18th March last of none but passed Candidates having been entertained, on the ground that Extract Minutes Consultation dated 8th April, exempts only the Establishments in the Provinces from this condition, and a similar objection being also anticipated with regard to the Central Office of Superintendent Revenue Survey, I have the honor to point out that it was my intention in seeking the concession of the laxation of the general rule in question for the Survey and Settlement Departments, to draw no distinction for the Central Offices which are frequently in the Provinces, and made up of persons found there, nor did I consider that the Government in approving the course I proposed "for completing the Establishments" intended to limit the order in the way the Civil Auditor describes.

2. The inconvenience of this limitation would be seriously felt, as neither Captain Priestley's Office nor my own is yet completed, and there are special subjects such as lithography to be provided for, and for which every facility is required to be afforded.

3. I beg therefore that if the Government see fit, the restriction which the Civil Auditor imagines now to exist may be removed.

Transferred to the Public Department.

(Signed) J. D. BOURDILLON,
Secretary to Government.

11th June 1859.

ORDER THEREON, 23rd June 1859, No. 981.

The Honorable the Governor in Council sees no ground for exempting the Central Office Establishments of the Director of Revenue Settlement and Superintendent of Revenue Survey from the Uncovenanted Service Examination Rules. These establishments are composed in the same manner as Office Establishments generally, viz., of Examiners, Clerks, and Writers, and there is no reason why servants of these classes in the Office of the Director of Revenue Settlement and Superintendent of Survey should be exempted from the test to which those of like grades in other Offices are subjected.

2. The case of Draughtsmen is provided for in Extract Minutes Consultation of the 28th March last, No. 474, that is, they may be entertained at once if duly qualified in their profession, on condition of their passing at the next Uncovenanted Service Examination.
