Proceedings of the Madras Government, Revenue Department, from 2d to 8th July 1859.

No. 19. Read the following letter from H. NEWILL, Esq., Director of Revenue Settlement; to J. D. BOURDILLON, Esq., Secretary to Government Revenue Department Fort Saint George; dated 17th June 1859, No. 526.

Para. 1. In Extract Minutes Consultation 30th March 1858, No. 417, Government authorized the Collector of South Arcot to advance the Deputy Director of Revenue Settlement carrying on operations in that District, a sum not exceeding Rupees 120 per mensem for contingent charges.

2. As the party has quitted that District and is engaged in Trichinopoly I have the honor to request that the Collector of the latter District, may be authorized to make this advance from his Treasury to the Deputy Director now employed there; and that a general sanction may be given, as in the case of the Survey Department, to the Collector of any District in which Settlement operations may be carried on, to advance to the Deputy Director at the head of a settlement party a sum not exceeding Rupees 120 for contingent charges on the understanding that in the event of the same party being engaged in two Districts the aggregate advance for both is not to exceed this sum.

E. M. C. 1st March 1859, No. 258.

3. I take this opportunity of requesting sanction for the sum of Rupees 250 as advance for contingent charges of my own office. About 100 Rupees is required for house rent sanctioned on the 16th instant which in common with other contingent items is required to be actually disbursed before the Civil Auditor can pass the bill for its payment and the remainder is requisite for ordinary contingent charges and for expenditure occasionally incurred for taking the office and records on tours.

Proceedings of Government No. 792.
