Boat hire Rs. 3½ per mensem.
Madura.
1 Sweeper As. 4 per mensem.

13. In the two villages of Chingleput abovementioned there is no permanent Curnum or Taliar, and no Maniem allotted for such offices, the salary hitherto paid having until 1853 been included in the annual estimate of extra establishment.

6. In Guntoor the only items of a permanent character are 2 boatmen employed in crossing the Tappal over two Salt Nullahs and a Mussalchee for the Salt Cotars at Pedda Ganjam. The Board concur with the Acting Collector in thinking that the first item may be incorporated with the fixed establishment, and that the latter may remain as at present pending the general revision of the Salt Establishments.

7. The Board support the recommendation of the Collector of Nellore that the sum of Rupees 11 per mensem for 13 Sweepers employed in certain Salt Cotars be sanctioned as a permanent charge.

8. The Collectors of Cuddapah and Bellary and the Officiating Agent at Kurnool recommend that the extra Goomastahs hitherto employed to assist in the preparation of the Jamabundy accounts should be brought on the fixed establishment. As the Government however has resolved

9. The Kutbady Peon drawing a salary of 1 Rupee per mensem may, as suggested by the Collector of Cuddapah, in para. 2 of his letter, be brought on the permanent establishment.

10. In para. 1 of the same letter it is proposed to increase to 2 Rs. per mensem the pay of the Sweeper attached to the Cuddapah Police Ameen's Cutcherry referred to in the Extract Minutes Consultation under reply, and to include him in the regular establishment. His application for a permanent Sweeper on a fixed salary of 2 Rupees per mensem will be considered, if submitted in the prescribed Tabular form.

11. As regards the 14 Carpoons in Cuddapah, the Board are of opinion, with the Collector, that they may be retained as at present pending the disposal of the reference touching the number of that class of servants who are to be employed.

12. The Board recommend that the monthly charge of Rupees 8½ for a Curnum and Taliar (at Rupees 5 and Rupees 3½ respectively) in the Curney and Sydapet villages in the Chingleput District, of Rupees 3½ being hire of a boat employed on the Paravennair river in South Arcot for the use of parties frequenting the Teagavully salt pans; and of annas 4 for a Sweeper in the frontier Chowkey in Madura, be entered as items of permanent expenditure.

14. The Collector of Coimbatore proposes to bring on the fixed establishment the servants employed in cutting Sandalwood. In Extract Minutes Consultation dated 25th January 1847, No. 106, R. D., the Government directed that this establishment should be included under the head of extra revenue Establishment, as it was thought that its strength was likely to vary from year to year. The Collector however now states that no change has taken place in the annual expense of the Establishment since that time, and the Board are therefore of opinion that it may be incorporated with the permanent Establishment.

*Proceedings of the Madras Government, Revenue Department,
from 2d to 8th July 1859.*

15. The Collector of Canara recommends the employment on the fixed Establishment of the following servants.

<i>Canara.</i>		Rs.
1 Shroff in the Hoozoor Treasury	...	20
1 Do. in Bunvasy Peshgar's Cutcherry	...	6
1 Do. in the Vondshy Salt Depôt	...	5
1 Shroff and 1 Shanbogue } in the Salt Depôt at Gursappa at 5	...	10
Total per mensem...		41

16. In consequence of the orders directing the transmission of the District remittances to Madras instead of, as formerly, to Bombay, and of the withdrawal of the two Shroffs who had always been sent from the latter Presidency to shroff the money, the Collector reported that the two permanent Hoozoor Shroffs were unable to perform the whole of the duties required of them. The Board therefore authorized him to employ an extra Shroff on Rupees 20 per mensem as occasion might require, the charge to be entered in the statement of Extra Establishment. The services of this Shroff will be permanently required if the practice of remitting treasure to Madras is continued.

17. For the two Salt Depôts at Gursappah in the Honore Talook one Shanbogue and one Shroff have been entertained from year to year in addition to those permanently employed.

1 Shroff.....	20
1 Shanbogue.....	5
1 Shroff.....	4

Rs.. 29 per mensem.

18. The charges detailed in the two preceding paras.

are recommended for transfer to the regular Establishment.

19. The Collector further proposes that two Shroffs, one at Bunvasy and one at Vondshy, who have hitherto been employed during a part of the year be retained permanently, as however this involves an increase of expenditure over that usually incurred, the Collector should submit a tabular statement in the prescribed form, and the charges should still appear in the annual Estimate.

20. The Collector of Madras submits the following list of servants whom he proposes for transfer.

<i>Madras.</i>		Rs.
<i>Land.</i>		
3 Peons at 7 Rs...	...	21
<i>Abkarry.</i>		
1 Hoozoor Goomastah	...	17½

4 Sweepers	...	1
<i>Salt.</i>		
1 Hoozoor Goomastah	...	21

21. The Maistry, 18 Lascars and 2 Sepoys were included in the revised establishment sanctioned by Government 15th August 1834, No. 709, R. D., for the puttah Arrack Distillery at Tondiarpet, but by some mistake they have always been entered in the annual Estimate. The cost of the present distillery Establishment is less by 32½ Rupees than the sanctioned amount, in consequence it would appear of the non-entertainment of the Peshgar except for a period of 2 years between 1835 and 1837, and the discontinuance of the Puckallies at the time when water was first supplied by pipes from the Government water works.

Rs...176 per mensem charge of Rupees 176.

23. As the other charges (items 1,2,3,9,10 and 11) are either for servants only recently entertained or are of a temporary character, they may, the Board think, be retained as at present and entered in the Estimates as occasion may require.

24. Subjoined is a statement showing the designation, number and salary of the various servants recommended in the foregoing paras. for permanent employ, the total annual expenditure involved in these transfers being Rupees 3,930.

25. Should the Government approve of the measures proposed, the several Collectors who have not already done so will be requested to submit applications in the prescribed form for the sanction of the Supreme Government.

(Signed) J. D. BOURDILLON,
Secretary to Government.

Rev - No. 669.

Ordered that the foregoing letter from the Board of Revenue do lie over for the present.

Memorandum

The Government in passing orders on the statements of actual and estimated charges on account of extra establishments for July 1865 observed that they contained "a number of items, most of them of small amount which properly belong rather to the permanent than to extra establishments," that "it will be better to bring all such charges on the permanent establishment" and requested the Board "to ascertain and report the particulars in view to this being done."

The Board with their letter dated 8th June 1857 N^o 669 furnished the necessary information but it was allowed to lie over in consequence of the financial difficulties. The accompanying abstract of the Board's proposals shows that there are several items which must come under consideration.

in the contemplated revision of the Hoozoor and Talook establishments; it is therefore proposed to transfer these papers to Mr. Pelly and with this view the following order is submitted for approval.

Rev. N^o 669 of 1859

Ordered that the papers be referred to Mr. Pelly for disposal in connection with the ^{pending} ~~contemplated~~ revision of the Hoozoor and Talook establishments.
