Proceedings of the Madras Government, Revenue Department, from 2d to 8th July 1859.

No. 51. Read the following letter from J. D. SIM, Esq., Secretary to the Board of Revenue; to J. D. BOURDILLON, Esq., Secretary to Government, R. D.; dated 30th June 1859, No. 2516.

In Con. 1st June 1859, No. 2500.

I am directed by the Board of Revenue to submit for the orders of Government, the accompanying letter from the Collector of Vizagapatam, dated 25th May 1859, stating that there are a number of huts contiguous to the new Civil Dispensary, which are offensive in various ways, and cause annoyance to the Patients, and proposing to have them removed at a cost of 116 Rupees.

2. Mr. Read is desirous of meeting the expense from the proceeds of the sale of an old condemned building, which realized, after deducting the cost of clearing the site, Rupees 121.

3. The Board think it would be preferable to follow the usual course in such cases; they accordingly recommend that the sale proceeds of the old building be credited to Government, and that sanction be granted for disbursing the amount required for effecting the removal of the huts near the Dispensary, viz. 116 Rupees.

No. 52. ORDER THEREON, 7th July 1859, No. 898.

Before sanctioning any outlay for the removal of the huts referred to, the Governor in Council requires some further satisfaction as to the necessity of the removal. In particular the opinions of the Medical officer should be submitted.

2. Explanation is also requested why the necessity of removing these huts was not stated when sanction for building the new Dispensary was applied for.

(Signed) J. D. BOURDILLON,
Secretary to Government.

IN CON. 1ST JUNE 1859, No. 2500.

From C. W. READE, Esq., Collector of VIZAGAPATAM,

dated Vizagapatam, 25th May 1859, No. 441.

There are a number of houses or huts contiguous to the new Civil Dispensary occasioning to the inmates of the latter much annoyance besides being offensive in other ways. I have arranged to have them removed and the owners to vacate for the trifling cost of 116 Rupees, and I request the Board's sanction for this outlay.

2. I beg to add that I can at once meet the expense by the proceeds of the sale of an old tumble down building which with the concurrence of the Engineer was recently condemned and by me ordered to be removed. The amount realized, after deducting all expense for clearing the site, has been Rupees 121, and I would suggest that this sum be appropriated to purchase the removal of the huts referred to in para 1.

3. I request the Board will kindly favor me with their instructions at an early date.

No. 2516.
