*Proceedings of the Madras Government, Revenue Department,
5th October 1860.*

No. 93. Read the following letter from W. BALMAIN, Esq., Officiating Civil Auditor, to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department, dated Madras, 6th September 1860, No. 986 :—

SIR,

The total amount sanctioned by the Government of India, in anticipation of the approval of the Home Government, for the four Survey parties to be employed in Madras Presidency was Rupees 2,19,360 per annum. By the orders of the Madras Government, December 28th 1859 and 4th February 1860, the Establishments and expenses were increased so that the total annual charge now amounts to Rupees 3,62,304. I have the honor to inquire whether the increase was reported to the Government of India or the Home Government; I am unable to find in my Office records any letter sanctioning the increase.

No. 94. ORDER THEREON, 5th October 1860, No. 1,797.

1. The Civil Auditor will be informed in reply to this letter that the sanction of the Government of India to the Survey Establishments authorized by this Government in their Orders dated 28th December 1859 and 4th February 1860 was not applied Nos. 1,779 and 179. for, because the increase was in the course already sanctioned and tended to a saving on the whole. The Board of Revenue have now recommended further changes in the establishments; and as soon as orders shall have been passed on this recommendation, application will be made to the Government of India for sanction for the whole.

2. Meanwhile the Civil Auditor will be requested to pass the abstracts, under paragraph 3 of the Resolution of the Government of India in the Financial Department, dated 23rd April 1860, No. 3,582; as great inconvenience to the public service would be occasioned by stopping the pay of the Establishments.

(Signed) J. D. BOURDILLON,
Secretary to Government.
