*Proceedings of the Madras Government, Revenue Department,
6th October 1860.*

No. 112. Read the following Proceedings of the Board of Revenue, dated 19th September 1860, No. 4,245:—

Read letter from the Collector of Coimbatore, dated 16th August 1860, No. 127, requesting sanction for extra expenditure of Sádírwárid charges in the Revenue and Magisterial Departments.

(In Cons., 22nd August 1860, No. 4,155.)

1. Resolved that the foregoing letter and its enclosures be submitted for the orders of Government with the Board's recommendation that the extra Sádírwárid expenditure of Rupees 1,499-14-8 incurred in the Revenue and Magisterial Departments of the Collector of Coimbatore in Fasli 1269, be sanctioned.

2. The above excess is composed of Rupees 460-8-2, the difference between the amount (Rupees 4,743-9-0) of the standard Estimate sanctioned for Coimbatore and the actual charges (Rupees 5,204-1-2) on account of the articles therein provided for; and of a totally distinct expenditure of Rupees 1,039-6-6 the value of paper, &c., furnished to the Karanams for the new forms of village accounts.

3. The first item of excess arose as in the previous Faslis (1266, 67 and 68) from the charge for paper, lamp-oil, &c., having unavoidably exceeded that fixed in the Estimate sanctioned in Fasli 1260 (A. D. 1850-1).

4. Compared with the aggregate excess sanctioned in the last Fasli (1268) the present amount is less by Rupees 477-6-3 as shown below:

	Excess in charges provided for in the standard Estimate.			Extra expenditure on account of new forms of village accounts.			Total excess above standard Estimate.

No. 113. ORDER THEREON, 6th October 1860, No. 1,807.

IN CON. 22ND AUGUST 1860, No. 4,155.

From E. B. THOMAS, Esq., Collector of COIMBATORE,
dated Coimbatore, 16th August 1860, No. 127.

I have the honor to forward an Abstract Statement of actual Charges incurred on account of saderward in the Revenue and Magisterial departments in this district for Fasli 1269, or from July 1859 to June 1860, and to request the special sanction of Government for the extra expenditure which amounts to Rupees 460-8-2, to enable the audit office to pass the same.

2. The increase above the sanctioned standard is attributable to a larger quantity of paper being unavoidably used than is provided for in the original estimate, dated so far back as in 1850, and to the high prices paid for lamp oil and other articles.

3. A sum of Rupees 1,039-6-6, being value of paper and other articles of stationery furnished to the Curnums for the preparation of village accounts, which are not provided for in the sanctioned estimate, is included in this statement as directed in the Proceedings of the Board, dated 1st February 1860, No. 544, for which also I request the sanction of Government may be obtained, to enable me to adjust the same in my accounts.

4. It will be observed from the accompanying statement of these charges, that the expenditure for 1269, compared with that of the past year, shows a net decrease of Rupees 154-0-5.

5. The increase observable in some of the Taluqs is in consequence of the preparation of Register A, for a larger number of villages in this year than in 1268.

6. The Board will see that against an annual allowance of Rupees 4,743-7-0 the actual charges amount to Rupees 6,243-7-8 including the stationery supplied for the village accounts, which show the necessity of an increased standard of saderward allowance.

ENC. 1.

ABSTRACT.—Statement of actual charges incurred on account of saderward in the Collectorate of Coimbatore for Fasli 1269, or from July 1859 to June 1860.

ENC. 2.

ABSTRACT.—Statement showing the quantity and value of paper and other articles furnished for the preparation of village accounts in Fasli 1269, in the district of Coimbatore.
