*Proceedings of the Madras Government, Revenue Department,  
9th October 1860.*

No. 144. Read the following Despatch from the Right Honorable Sir C. WOOD, Bart., Secretary of State for India, to His Excellency the Honorable the Governor in Council, Fort Saint George, dated India Office, London, 31st August 1860, No. 62 :—

SIR,

1. I have considered in Council your letter dated 1st June (No. 54) 1860; reporting the measures which you have adopted for the more efficient conservancy of the Pearl banks on the coasts of Madura and Tinnevely. It is now shown that the three vessels recommended by the Superintendent of Marine, and sanctioned by your Government, will be sufficient for that object.

2. There appears to be a fair prospect that the experiment of transferring young fish from a bank where they suffer from the proximity of other mollusca, to one which is wholly blank, will prove successful; and the report of the Master Attendant of Tuticorin on the state of the banks off Tinnevely is very satisfactory. There seems to be good reason to anticipate a profitable Pearl fishery, in the course of three or four years.

3. I approve of the measures which you have adopted, relative to the discontinuance of the chank fishery lease.

4. Any increase of the salary of Captain Phipps which the Government of India may sanction, should be considered as a personal allowance to that Officer for the performance of special duties, and not as an addition to the salary of the Office of Master Attendant at Tuticorin.

No. 145. ORDER THEREON, 9th October 1860, No. 1,823.

1. Ordered to be communicated to the Board of Revenue.

2. Paragraph 4 will be communicated to the Civil Auditor also, with reference to the Order of the Government of India in the Financial Department, No. 5,150, dated 9th June last.

(Signed) J. D. BOURDILLON,  
Secretary to Government.
