Dated 9-10-1860.

*Proceedings of the Madras Government, Revenue Department,
9th October 1860.*

No. 148. Read the following letter from C. PELLY, Esq., Member of the Board of Revenue, to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department, dated Madras, 13th September 1860, No. 506 :—

SIR,

1. The Kasba towns of the four new Tálucs of South Canara are at present as follows :—

<i>Táluc.</i>	<i>Kasba.</i>
1. Mangalore.	Mangalore.
2. Udipt.	Udipt.
3. Békul.	Kassergóde.
4. Putúr.	Putúr.

2. I have the honor to request the sanction of Government for naming the Békul Táluc after its Kasba, Kassergóde, and for changing the Kasba of Putúr Táluc to a place called Upinangáddi, as recommended by the late Collector Mr. Fisher, and the present Collector Mr. Fraser, and that the Táluc take the name of Upinangáddi, if this change is sanctioned.

3. Mr. Fraser is strongly opposed to changing the names of these two Tálucs, but there are no special reasons in these cases for departing from the rule laid down by Government. He notices that "the Táluc names have been long in existence and are associated in the minds of the people with definite divisions and boundaries, which new names would not be;" but he forgets that the boundaries of the old Tálucs have been now changed by the late amalgamations.

4. The reasons assigned by Mr. Fisher for changing the Kasba of Putúr to Upinangáddi, and coincided in by Mr. Fraser are, that the "position is central, on an important line of road, and at the point which will hereafter become the navigable head of the Natrawatti, whilst it commands the point at which the Comardavy flows into that river." The Board have coincided in this view.

Letter 22nd June 1860, paragraph 4.
Do. 20th July 1860.

5. Mr. Fraser at first objected to the proposed change as it would involve the construction of a new Kacheri. But he subsequently changed his opinion, finding that the Putúr Kacheri was in a ruinous condition and that as a new Kacheri must be built, he considered Upinangáddi as the best place. A new Kacheri has been sanctioned.

Letter 22nd June 1860, paragraph 3.

6. Mr. Fraser recommended the Kasba of the new Táluc of Mangalore being removed to Buntwal as it would place the Tahsildár in a more central position, and save the appointment of a Town Magistrate; but Mangalore is decidedly the proper place for the Tahsildár.

No. 149. ORDER THEREON, 9th October 1860, No. 1,825.

1. In this letter, Mr. Pelly proposes to name the Békul táluc of South Canara after its Kasba Kassergóde; also to change the Kasba of the Putúr táluc of the same district to Upinangáddi as recommended by the late and present Collectors, and to call the táluc by that name.

2. The present Collector, it is stated, objects to any change in the names of the two tálucs above mentioned, but Mr. Pelly remarks that there are no special reasons for departing from the rule in such cases.

3. The change of the Kasba of the Putúr táluc to Upinangáddi has already been assented to in the Order of November 19th 1859, No. 1,575. Mr. Pelly's proposal to name this and the Békul tálucs after their respective Kasbas, is approved.

4. Adverting to paragraph 6, the Government agree with Mr. Pelly that Mangalore is the proper place for the Kasba of the táluc of that name.

5. The names of the new tálucs in South Canara and their Kasbas will be as follow :—

<i>Tálucs.</i>	<i>Kasbas.</i>
Mangalore.	Mangalore.
Udipt.	Udipt.
Kassergóde.	Kassergóde.
Upinangáddi.	Upinangáddi.

(Signed) J. D. BOURDILLON,
Secretary to Government.

The change of the names
of Puttur Taluq & Uppinahal
was ordered to in the order of
Nov. 19/59. Orders are in
-execution regarding the transfer
of this & other Taluqs
to Mangalore
Taluk. It appears to me
that Mangalore Taluk
please for the Taluk.

I agree to Mr. Kelly's suggestion -
the names have all been
changed, or at least generally
to suit the Kutch towns
& they need be taken to
be done in the present case.

- In my opinion these changes
of names worry & unsettle the people,
& are inconvenient in respect of old documents & title
deeds without any corresponding advantage - As however
the re-naming of Taluqs after their Cutchas is considered
