*Proceedings of the Madras Government, Revenue Department,  
10th October 1860.*

No. 164. Read the following letter from G. N. TAYLOR, Esq., Inám Commissioner, to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department, dated Camp Palmanair, 4th October 1860, No. 354 :—

SIR,

1. In continuation of my letter, No. 324, dated 21st September 1860, proposing certain additions to the general Establishment of the Inám Commission, I have the honor to submit for the favorable consideration of the Government one further proposition relative to the salary allowed to my Special Assistants.

2. At the time when my first proposition was submitted for the Inám Establishments, viz. in April 1859, the Native service in this Presidency had not risen to the high position which it now occupies. Few Deputy Collectors had been appointed, and the various openings which have since presented themselves, in the several special Departments then under organization, had not yet been filled up. Under these circumstances, I recommended that the salary of my two Special Assistants should be fixed at 500 Rupees a month, with the addition of 100 Rupees as permanent travelling batta. Believing, however, that there is no place under the Government, to which an uncovenanted Officer can at present aspire, of greater trust and responsibility; or one which requires a higher degree of talent, judgment and official experience, than that of the Assistant, Inám Commissioners, who are in fact my Deputies, I think that their official status should not be lower than that of a Deputy Collector of the first class. I beg to recommend accordingly that their salary be raised to 600 Rupees a month, irrespective of travelling allowance as already sanctioned—with the condition, however, that the higher rate of salary now proposed shall not be drawn by either of the Special Assistants until he has either officiated in, or held the permanent office for a period of one year.

3. The total additional expense will be, for the two Assistants, Rupees 2,400 a year, and in case my former proposition should already have been forwarded for the sanction of the Government of India, I submit herewith a supplemental Estimate of the proposed increase in the usual form.

No. 165. ORDER THEREON, 10th October 1860, No. 1,833.

The Governor in Council is not prepared to recommend an addition to the salary of the Special Assistants to the Inám Commissioner.

(Signed) J. D. BOURDILLON,  
Secretary to Government.
