SIR,

With reference to the Proceedings of Government, May 25th 1859, No. 706, giving the Director of Revenue Settlement and the Superintendent of Survey power to increase the Survey parties up to the limit sanctioned by Government, I have the honor to state that the Orders of the Government of India not having been received in regard to the increase of the total expense as mentioned in my letter of September 8th, No. 986, there will be an objection to passing the pay of such new Establishments. Pending a reference to the Supreme Government for the confirmation of the increased total expense for the Survey, the charges already passed each month though in excess of the original sanction, will continue to be audited.
