Proceedings of the Madras Government, Revenue Department,
11th October 1800.

No. 173. Read the following Proceedings of the Board of Revenue, dated 21st September 1860, No. 4,297 :—

Read the following letter from J. FRASER, Esq., Collector of South Canara, to J. D. SIM, Esq., Secretary to the Board of Revenue, Fort Saint George, dated Mangalore, 23rd August 1860, No. 142 :—

SIR,

1. In reply to paragraph 8 of the Board's Proceedings regarding Kumiri in the Békal Táluq, I have the honor to state, that under the conditions on *No. 3,595 of 4th August* 1860. which Kumiri is now to be cut, I still consider the rent of 1 Rupee per acre a very moderate one. It might even be higher without the least loss to the Raiyats ; but for the present I consider 1 Rupee per acre sufficient.

2. Act XXVIII of 1860 which has been lately received, will be of great assistance in determining the correct boundaries of what the Wargdárs may claim as their Kumiri rights.

---

1. Ordered to be submitted to Government in continuation of the Board's Proceedings, dated 6th September 1860, No. 4,070.

2. The Board concur in opinion with the Collector that the rate of one Rupee per acre proposed by Government is a very reasonable demand to be assessed on all Kumiri whether "Wargdár" or "Sirkar," and recommend its adoption.

(A true Copy and Extract.)
