*Proceedings of the Madras Government, Revenue Department,
12th October 1860.*

No. 191. Read the following letter from Lieutenant-Colonel W. H. HORSLEY, Chief Engineer, Department Public Works, to J. D. BOURDILLON, Esq., Secretary to Government, Public Works Department, Fort Saint George, dated Chepauk, 28th September 1860, No. 5,300 :—

SIR,

1. With reference to paragraph 2 of the Proceedings of Government dated 21st ultimo, No. 1,406, I have the honor to forward herewith a letter* from the District Engineer, Ganjam, giving cover to one† addressed by him to the Collector, whereby it will be seen that the District Engineer concurs with Mr. Sub-Engineer Colquhoun in considering it inexpedient to contract the limits of the tank called in the Collector's letter to the Board, the Dharma Ságaram, the proper name of which, however, is the Banjári Ságaram, and he recommends in consequence that the Inámdar should be allowed a piece of land elsewhere in exchange.

2. The tank in question had almost fallen into disuse from want of repair, when it was restored, and a supply channel cut to it from a river, by which improvement the revenue, which previously was only 45 Rupees, has increased in the present year to Rupees 673, and is expected to reach the sum of Rupees 934 next year, being the revenue on the full ayacut cultivation.

3. The Inám land which has been submerged by the improvement of the tank is "wet land," and the District Engineer reports that the Inámdar is desirous of having in exchange a grant of land from the waste lands under the Ságaram, which "would be a very fair and convenient arrangement."

No. 192.

ORDER THEREON, 12th October 1860, No. 1,847.

Under the explanation now furnished the Government authorize the grant as Inám of twenty acres of land from the waste lands under the Banjári Ságaram tank in the Ganjam District in exchange for a similar extent of Inám partially submerged by the enlargement of the tank, subject to the condition stated by the Board of Revenue in their Proceedings of 14th August last, viz., that the title to the Inám shall remain unaffected by the arrangement.

(Signed) J. D. BOURDILLON,
Secretary to Government.
