*Proceedings of the Madras Government, Revenue Department,
13th October 1860.*

No. 218. Read the following letter from C. PELLY, Esq., Member of the Board of Revenue, to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department, dated Madras, 10th September 1860, No. 500 :—

SIR,

1. There are three Government Tálúqs in Ganjam according to the new arrangements, their present names and Kasba towns are as follows :—

1. Gúmsúr Russelconda.
2. Berhampore Berhampore.
3. Wádáda Byri.

Mr. Forbes does not recommend the name of Gúmsúr being changed to correspond with the name of the Kasba, says "Gúmsúr, is the ancient and widely known name of that Táluq, and is both shorter and more euphonious than Russelconda, which means Mr. Russell's Hill," and thinks it would be better to make no change; Russelconda is certainly quite a modern name—and I am doubtful whether the Táluq should be called by that name, and leave it for the decision of Government.

2. Byri is the Kasba of the Wádáda Táluq, but it is a small village only, and it has been proposed* to transfer the Kasba to Chicacole in order to establish a Táluq Treasury in lieu of the extra Húzur Treasury now kept up at that town, Mr. Forbes thinks the Táluq may well be named the Chicacole Táluq, even if the arrangement for the removal of the Kasba, is not sanctioned, but this is very questionable. But if the Kasba is removed to Chicacole, the Táluq unquestionably should be called the Chicacole Táluq.

No. 219. ORDER THEREON, 13th October 1860, No. 1,861.

1. Adverting to paragraph 1 of this letter, the Government direct that the Gúmsúr Táluq shall retain its name.

† Dated 5th September 1860,
No. 499, paragraph 9.

2. The subject of paragraph 2 being more fully noticed in another paper† from Mr. Pelly, it will be disposed of in connection with that paper.

(Signed) J. D. BOURDILLON,
Secretary to Government.
