PUBLIC DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from W. GREY, Esq., Secretary to the Government of India, to the Secretary to the Government of Madras, dated Fort William, the 19th September 1860, No. 2,039.

Home Department.

I am directed to draw attention to the Supplement published with the *Calcutta Gazette* of this date, and at the same time to forward for the information of the Right Honorable the Governor in Council copy of a Circular issued to the Secretariat Departments of the Government of India, as well as of a letter addressed to the Governments of Bengal, the North-Western Provinces, and the Punjab.

2. It may hereafter, perhaps, be thought useful to publish a similar Supplement to the *Government Gazette* at Madras, but for the present, and until the experiment has been tried for some little time here, I am desired to state that it seems desirable to the Governor General in Council that no steps in the same direction should be taken at the other Presidencies.

From W. GREY, Esq., Secretary to the Government of India, to the Secretaries to Government of Bengal, North-West Provinces, and Punjab, dated Fort William, the 19th September 1860.

Home Department.

In forwarding for the information of the Lieutenant Governor, the accompanying copy of a Circular issued to the Secretariat Departments of the Government of India in reference to the Supplement, of which the first number has been published with the *Gazette* of this date, I am directed to request that you will forward to this Office all papers which His Honor may from time to time desire to have inserted in the Supplement.

2. In the event of its appearing to the Governor General in Council that any papers received for insertion in the Supplement are, owing to their bulk or otherwise, unsuited for publication in that manner, I am desired to state that such papers will be placed on the Editor's Table in Calcutta, in place of appearing in the Supplement, an intimation to that effect being made to the Office from which the papers were forwarded.

CIRCULAR TO DEPARTMENTS.

The Governor General in Council has directed that a Supplement shall be published to the *Calcutta Gazette*, to contain such Official papers and information as the Government may deem to be of interest to the public, and such as may usefully be made known.

2. All papers intended for publication in the Supplement will be sent to the Home Office; and as a general rule they should be sent two clear days before the *Gazette* is published. But it will be understood that their insertion in the next *Gazette* is not guaranteed, except when specially so ordered by the Governor General in Council.

3. Each Department must be responsible for the correctness of the Manuscript which it sends, as the proofs will not usually be subjected to other revision than that of the *Gazette* Press. Proofs will, however, be sent for correction to the Department to which the papers belong, whenever a wish to that effect is signified.

4. No paper should be sent for insertion in the Supplement which is not necessary to a clear understanding of the matter which it is intended to publish. In cases where the correspondence is voluminous, it will commonly be found that all the essential facts are comprized in one or two letters, and in such cases those letters only should be given in extenso—prefaced, when necessary, by a short explanatory memorandum.

5. In these instances, however, the entire collection of papers may also be sent, and be placed simultaneously on the Editor's Table, so as to be available in the event of a reference to them being desired.

6. In regard to the selection of cases for communication to the public through the medium of the *Gazette* Supplement, the same rules will be considered in force which now apply to the selection of papers for the Editor's Table.

By Order of the Right Honorable the Governor General in Council.
