No. 266. From H. NEWILL, Esq., Director of Revenue Settlement, to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 1st October 1860, No. 967.

SIR,

1. I have the honor to forward herewith a statement showing the amount of actual expenditure incurred on account of the erection of Village, &c., Boundary Pillars in seven of the Tálucs of the late Masulipatam District, out of an advance of Rupees 5,100 authorized to be made from the Collector's Treasury of that District in 19th January 1858, No. 70. Extracts Minutes of Consultation noted in the margin, and 31st March 1859, No. 439. request that the sanction of Government may be granted for the 10th August 1859, No. 1,070. actual expenditure in question, viz., Rupees (2,795-0-6) two thousand seven hundred and ninety-five and Pice six.

2. Bills for the balance to be accounted for, will be submitted as soon as they come in.

3. The masonry Pillars have cost on an average about 11 Annas each which is moderate.

No. 267. ORDER THEREON, 16th October 1860, No. 1,885.

The Government observe great discrepancies in the statements of charges for boundary marks submitted with the papers above recorded. In Mogultur (Godavery District) 162 Rupees worth of bricks required chunam of the value of 128 Rupees while in Undí 75 Rupees worth of chunam sufficed for bricks of the value of 183 Rupees. In the same Táluc bricklayers who were paid Rupees 108 cost in superintendence only 9 Rupees while bricklayers paid in Undí Rupees 98 required superintendence at a charge of Rupees 32. Similar disproportions are observable not only in other Tálucs of the same District but also in the Tálucs of the Kistna District as shown in the statement submitted with the Director's letter of the 1st instant, No. 967. Mr. Newill will therefore be called upon to furnish an explanation on the subject.

Secretary to Government.
