*Proceedings of the Madras Government, Revenue Department,
17th October 1860.*

No. 274. Read the following Proceedings of the Board of Revenue, dated 28th September 1860, No. 4,435 :—

Read the following letter from J. I. MINCHIN, Esq., Acting Collector of Kurnool, to J. D. SIM, Esq., Secretary to the Board of Revenue, Fort Saint George, dated Bauganpully, 22nd August 1860, No. 137 :—

SIR,

1. I have the honor to inform you that agreeably to the Order of Government, dated 10th July 1849, the individuals named in the margin, the widow * and daughter† of
* *Ramuckah.* the late Pensioner Malla Reddi of Wuyalwāda in the Koilguntla Tāluq,
† *Nāganna.* recently transferred from the Cuddapah District, were in receipt of a pension of Rupees 11-10-8 per mensem, conjointly as a life grant from the Treasury until 30th June 1859.

2. The widow having died on the 10th August following, the payment of pension to the daughter now residing at Rupanagudi in the said Tāluq, was discontinued, in consequence of her share therein not being properly ascertained at the time, but from inquiries I have made in this case it appears that the parties had themselves divided the pension into two equal parts, and the order of Government authorises the payment to be continued for both their lives.

3. The daughter Nāganna appears, therefore, to be legally entitled to her share of the pension for life, but as it has remained undischursed for the last twelve months, I have the honor to solicit the sanction of the Board for the payment to her of Rupees 5-13-4 monthly in arrears, from the date of its discontinuance, viz., 1st July 1859.

1. Submitted for the orders of the Honorable the Governor in Council.

2. The Board observe that in paragraph 2 of Extract Minutes Consultation, 10th July 1849, No. 643, the allowance in question, viz., Rupees 11-10-8, was continued to the widow and daughter of the then deceased Poligar "during their lives." The Board are, therefore, of opinion that a division of the allowance was not contemplated between the two recipients, and that although a division may have been made as between themselves, for the sake of convenience, the grant was continuable in full to the survivor of the two lives.

3. The Board, therefore, think that the surviving daughter is entitled to the allowance in full, with arrears from the date of her mother's decease, and beg to recommend that it be continued to her for life.

(Signed) J. D. SIM, Secretary.

No. 275. ORDER THEREON, 17th October 1860, No. 1,889.

The Board's proposal as contained in paragraph 3 of the foregoing Proceedings, is sanctioned.

(Signed) J. D. BOURDILLON,
Secretary to Government.
