To Her Gracious Majesty Queen Victoria
Long life and Felicity for Ever-

The humble Memorial of
Toomalapully Somarazu
Ex curnum of the Villages
of Mundapandoo and Comalamoody
in the Purganah of Goodeevadah
appertaining to the Kristna District

Earnestly replying on the Gracious promise in the 14th Para of your Majestys Proclamation dated the 1st November 1858 declaring the assumption of the Indian Government and promising to protect the Kingdom and redress all grievances sustained thro the former administration I make bold to approach your Majesty with this Humble memorial in the humble hope that I may be relieved of the injustice that I have sustained and restored to my former position and I pray to my Diety that the Reign of your Gracious majesty may last as long as the sun and Moon move-

1st As we had a respectable Meerasy under the Head of Daysapaundeah in the Purganah of Goodewadah appertaining to this Zillah, we were subsisting by means of the Roossooms or Emoluments &ca deriving from the Purganah and lived very respectably, but the Honorable Company having abolished the Dayshapaundea ship, we lost our respectability and means of livelihood-

2d After that the Collector taking into Consideration the respectability of my father Ramiah appointed him as an assistant to the Sherastadar He served in that Capacity for 20 years and died-

3 Subsequently altho I presented several petitions to the Collector requesting that he would be pleased to confer my father's situation on me he not having favored me I have been Conducting myself with

propriety in the Capacity of Coolkurnee of Mundapaudoo Ommalamoody appertaining to the Purganah of Goodeewadah for the last 16 years, and have been endeavouring to increase the Revenues of the Cirkar every year –

4 Ummeerapoo Gunghadaroodoo who is my enemy and soninlaw of my joint Curnum, and Sreepully Gopaulroyedoo intrigued and sent an arzee to the address of Government on the 5th February 1858 with reference to the irregularities that were Committed by the Head Sherastadar Ummaraputty Sayshia and put down the names of Sreepully Gopalaroyedoo Ventootooramilly Nanzayswerrow, Dayworacondah Nanguman, Toomalapully Ranakiah and my name and dispatched it thro the Tappal – as it was sent back for the purpose of being returned to the Petitioners, Sreepully Gopaulroydoo who had written the arzee in the first instance and who was dismissed by Mr. Elliot after seeing the accounts prepared and delivered by me of his having received a Bribe of Five hundred Rupees from enmity towards me for having prepared the accounts and against Ventooramilly Nanzayswerrow for having received the same intrigued with the Sherastadar who had animosity because my name was in the arzee against him Concocted and Caused the said Gopaulroyedoo to bring a charge against me to the effect that Nanzayswerroydoo had Caused the arzee to be written, that I had aided him in it and brought [illegible] up the Sherastadar's Goomashta Avatapully Venkutrutnum

as

as one witness and my employers adversary Paupiah rows vakeel Payatee Seetarammiah who is my inveterate Enemy and dependent on the favor of the Sherastadar always as another Witness and Ameerapoo Ghungadaroodoo a lad who is the son inlaw of my joint Curnum Toomalapully Bramanna and is aspiring for the Emoluments derived by me as another witness and Caused them to give evidence, to the effect that Avatapully Venkutrutnum and Payatee Seetarammiah saw a Packet to the address of Government in my hands, that on their asking me for what purpose that Packet was I told them that it was received from Nanzayswerrow and that I did not write it of my accord – the Acting Collector examined me orally in the month of March, made a false report subsequently in the month of April that I had absconded and then the Acting Collector with the advice of the Head Sherastadar has unjustly on the 20th April advertized in the Masulipatam Gazette of the 7th May 1860 No. 30 that I was removed from the Office of Curnum – on my addressing the present Collector on the 2nd June to grant me Copies of those Proceedings he merely gave me a paper headed "Endorsement" on the 19th June No. 1425 to the effect that he saw no necessity to grant the Copies requested by the Petitioner and that he should refer to the order in the Gazette, but he did not return the original arzee – on the 12th July 1858 I made an appeal according to rules to the Board of Revenue regarding the injustice, but they without Calling up the Record and perusing it.

it made an Endorsement on the 29th August No 2044 stating that they Concurred in the decision. From the grief that the Authorities did not in the least take my Case into Consideration I went in person to Madras which is 300 Miles from this place and represented my grievances to the Honorable Government by a Petition on the 2nd December 1858 stating that if the Case were ordered to be reinvestigated by the Collector of another zilla the fact of the Case would be manifest and I would be reinstated and redressed, and waited for its orders until the 16th January 1859 and as I had then received a letter intimating that my mother was dangerously ill I upon that emergency executed a Vakalutnamah to Cocherlacotta Venkatasoobaroyoodoo, who was than waiting in an appeal Case of his own, to receive an Endorsement on my Petition and to make all answers in my behalf and obtain the final decision of the Board, and returned to my Country when I received a letter from him dated 1st February 1859 intimating that an Endorsement was made on my the Present Petition to the effect that orders were sent to the Board of Revenue; that I should make my representations to them and gave it to Vennootooroomilly Naagayswerrow who was to that time Closed with me as the 1st Defendant and dismissed from the Service on the same day with me and was waiting with his appeal to Government from whom he obtained no redress & who prepared an appeal to your majesty presented it to Government and was waiting to see if it would be sent or whether he would be redressed, the endorsement that was made on my Petition and that made on Naagayswerrow ordering his restoration to his Office with arrears of pay up to that time was given to him.

5 The said Naagayswerrow from some unknown Cause instead of giving the endorsement on my Petition to my vakeel, retained it with him and produced his endorsement to the Revenue Board and obtained final orders; my vakeel having informed me of the above Circumstances I with a view of receiving it from Naagayswerrow and then obtain the Board's orders was awaiting his arrival. I do not know what the Board had written to the Collector but he in the Capacity of Magistrate issued a Summons to me on the 2nd of March thro' the Head of Police of the Talook who sent me in charge of a Peon to the Magistrate. When I was in attendance Naagayswerrow Came here and told me that my Petition was retained in the Government Office and only the endorsement given to him. He having given the endorsement to me and being then under trial, retained the endorsement with a view to produce it to the Board and obtain a decision.

On the said Naagayswerrow appearing before the Collector he granted him his former Post, and sent me who was up to that time under the surveilance of a Peon, to the Custody of the Head of Police, and making Vreepenty Gopalaroyedoo who was the 1st Complainant in the intriguing Petition referred to in Para 4 that was presented by him and Ameerapoo Gungadaroodoo, as 4th witness ~~and~~ put me on my trial with regard to the said Petition that was got up by Gopaulroyedoo & Gungadaroodoo

Altho it Came out in the examination of the witnesses that Gangaswerroyedoo made same alterations in his own hand writing and that he had affixed the signatures of some persons and I was present on the occasion yet while I and Gangaswerroyedoo were upon this very evidence dismissed from our situations in 1858, and the Higher Authorities having Considered that record to be irregular caused Gangayswerroyedoo's restaration the Collector made a reinvestigation of the Case as regards me and sentenced ~~Pt~~ imprisonment in the zilla Jail for one Month from the 29th March to 29th April 1859. With reference to the report that was made during the former enquiry that I was not forthcoming I beg to observe that Toomalapully Veerasalingum is no Officer of the Village of Mundapandoo nor holding any situation by deputation - on the Head of Police forwarding the Report and recommending the Elder Brothers of Toomalapully Veerasalingum who made the false report and the elder Paternal uncle of Gungadaroodoo - who wrote the said intriguing Arzee and who were aspiring for my Meerassy of the two Villages were placed on the list they made this intrigue on account of this emoluments and not otherwise - Toomala Annundiam deposed that while the villages Moonsif Curnum and Pottanadar were present it is

extraordinary

extraordinary that the Head of Police should have taken a report from Veerasalingum without their Knowledge, when I was at Sunnagadapa - a reference was made to the Zemindar of Sunnagadapa to Know whether I was there or not and he replied in the affirmation we while it was quite Clear from these facts that this Case had originated from intrigue, the Collector listened to the insinuations of the Sherastadar and passed sentence -

8 When I was Ordered to Cross question the said witnesses during the trial I being aware that the Sherastadar intrigued and tampered with the witnesses by giving them some benefecial hopes, and increased the prejudice against me and that they would not give proper answers to my questions stated that I would not Cross question them -

9 On my being Ordered to cite witnesses at the I had people who Could speak to the whole of the intrigue that was formed and was able to speak to the fact of the Sherastadar being ~~[illegible]~~ in animosity. I represented that as I was absent from the place for one year, I did not Know where those witnesses were; that if I had mentioned their names the Sherastadar who was appointed Deputy Collector would send for them and ~~transfer~~ tamper with them and that if I were relieved from surveillance I would

go and bring them personally I was told that that reason would ~~[illegible]~~ not be admitted and they therefore wrote down that I had no witnesses

10. As under similar Circumstances I had in the first instance sustained injustice, I represented to Government that if the Case were referred to a Native Zillah I would obtain Justice - The Board of Revenue without taking it into Consideration having sent the Case to the very authorities from whom I had suffered injustice in the first instance it will be manifest to your Majesty that I have undergone this Sentence for having made an appeal

11 According to that Sentence I being in Jail Caused an appeal to be presented in the month of April 1859 thro a Constituted Vakeel to the Session Judge being on the eve of quitting the Station Confirmed the decision of the Magistrate whereby I was obliged to remain in Jail till the termination of the Sentence and after that presented Stamp Papers for Copies of the Proceedings with a view to make an appeal to the Court Foujdaree Adawlut. A delay of one month was made by the Court Department. Copies were granted on the 2d July 1859 and I had only one weeks time unexpired for the appeal and Could not go in person

I

I forwarded my appeal with the whole of the Proceedings to the Court Foujdaree Adawlut on the 7th July thro the Post and stated in the Petition to that Court that I would Conduct the Proceedings on that Petition when it Came on for hearing thro Vembakum Shettagopa Charyooloo a Pleader of that Court that Pleader merely wrote two letters requiring me to send up a Vakalutnamah & fees but did not inform me whether the Petition had reached the Court ~~and~~ or what had transfered thereon

12 As it was necessary for me to know the number of the Petition to insert it in the Vakalutnamah I wrote to the said Pleader on the 12th October for that information but as he has sent me no answer and as the then Sherastadar A Shashia was a Country man of the said Pleader I not only had apprehensions of some underhanded work having been plotted but Could see no prospect of my being redressed - Besides this I have not had the means to know whether my papers reached the Court or not - if they have I do not know in what manner they have disposed of nor have they been Returned to me so that I may know what Course I should follow - I am overwhelmed in deep sorrow from the fact that tho I am only 30 years of age I have no means of livelihood or Chance of getting any in my future days

13 When I was in the first instance dismissed

on the ground that I was Concerned with Ventooroomilly Mungasmerrow I made a regular appeal to the Higher authorities but as Nagaysmerrow had a protector in the Honorable Mr. Elliot he was Ordered to be restored with arrears of pay and I from want of protection and from the intrigues of the Sherastadar have been Sentenced by the Magistrate as will be manifest

14 While I and Naugaysmerrow were dependant upon our qualifications ~~for~~ in writing there Could have been no necessity whatever for Our Causing the said Gungadharoodoo to write the ~~said~~ arzee in question since it was neither prejudicial nor profitable either to us or to Government while he was personally admitting that he had written the arzee and that he had Concealed the Circumstance until it Came on for trail and while he was the sole agressor it was quite unjust to have passed sentence on me upon his false statements and it was verry irregular in giving Credence to his single and unsupported testimony— In the event of such testimony being accredited while two other witnesses have deposed with him that Nagasmerrow made

alterations

and the signatures of those that were not present present, it will be Clearly manifest to your Majesty that it was from partiallity and intrigues of the Sherastadar at the said Naugaysmerrow ~~[illegible]~~ was reinstated with arrears of pay while I against whom no other evidence was given than that I was present with Naugaysmerrow should have been Sentenced

15 The acting Collector put me on my trail in the first instance and dispensed with my deposition His accusing me with having absented myself during the trail is an astensible proof of the Sherastadar's animosity I represented in my Arzee to Government that I would undergo the punishment awarded if the acting Collector stated on oath that he did not put me on my trail the present Collector Mr. W. Know a Brother of the acg. Collector having been directed to take my defence was the Cause of the Second Sentence being passed on me

16 If your Majesty will be pleased to peruse the whole of the Proceedings it will be Clearly manifest that in the two

trails that Gangadaroodoo who wrote the Petitions arzee and Nangasmerrow who is said to have passed over as faultless and I who have been made the alterations have been pleading innocence have been upon the false Statements of my Enemies dismissed the Service in the first instance and afterwards Sentenced to imprisonment that on my Complaining to the Court they Confirmed the Magistrates decision and on addressing the Foujdaree Court their not receiving the papers - and the Government Stating that they Cannot interfere, has Subjected me to great annoyance by no where meeting with justice from being deprived of my livelihood and respectability

17 On your Government it has been a Rule for the authorities to ~~to~~ punish a man according to his Crime and on an appeal there from to diminish the punishment or to Confirm the Sentence This has been observed hitherto and the regulations and acts that have been passed till the same. But on my Making an appeal that I had been

been unjustly dismissed the 1st Defendant who was Charged with a Graver Crime was declared innocent and on Considering the endorsement of the Magistrate it rouses the questions whether the Sentence passed on me was for Making an appeal or whether this has been done to establish a Rule that no appeal should be made hereafter - and for this reason tho I went thro the Regulations from the year 1802 and Subsequent acts I could discover nothing touching it In the event of a charge being brought against a man from animosity, there may be one Sentence passed upon him, but not a nother on his preferring an appeal, and on his addressing the Higher authorities on the Subject to be kept away from redress for the last three years I therefore trust that your Majesty who is the protectors of your Subjects next to God will see the necessity of protecting the poor and granting me redress

18 The people who ~~[illegible]~~ against me

and brought the Case against me were upheld by the Sherastadar amaravaty Sayshia by granting to the Brother of the fatherinlaw of the person who wrote the said false arzee the list Curnumship of Muddapaudoo out of the two villages which I held - the Curnumship of Comalamoody to Rajahnah the elder Brother of Soomalapully Veerasalingum who sent in a false report against me and increased the salary of Payator Jaganathum the Brother of P. Seetaramiah the 2d Witness - and promoted the 3d witness Avatapully Venkataratnum from 30 Rupees pay to that of a Tahsildar and Relieved Streeputty Gopaulrow who was on the on set Complainant and afterwards made the 4th Witness of the responsibility of paying the difference of the Abkaury Revenue in which he failed He has thus Subjected me to injustice I forwarded a Petition with all the foregoing Circumstances on the 7th January last giving Cowl to me I had presented to the Court of Foujdaree adalut in the humble hope that I shall Obtain redress at your Majesty's Gracious Hands I therefore pray that the whole of these Circumstances will be taken into your Valuable Consideration and favor me with Orders relieving me from the injustice

19 It will be Clearly Manifest to your Gracious Majesty from the enclosures Containing explanation herewith Submitted that I have been unjustly deprived of my Curneekum of the 2 Villages and of their produce

Consequently I pray that your Majesty will be pleased to take the foregoing reasons into Consideration together with the Enclosures and the records of the Case that was framed out by the intrigues of my Enemies which Occasioned me the to fold Sentences of dismissal and imprisonment and as I am prepared to present a testimonial from all the respectable inhabitants the Zemindars agraharumdars and others to the effect that I am a man of good Character and that these punishments were unjustly awarded against me therefore I pray that I may be Ordered equally as well as the 1st

Defendant to be restored to my Curnumship with my Arrears of Emoluments and my Office of Dayshpaundiah Otherwise to favor me with any other employment in one of the public Offices

That your poor Petitioner Setsforth to
your Charitable Board to examine all the documents
with perfect attention to Charge Collectors illegal
Decision and to pass the justice towards the Poor Petitione
who had met with an unjust Decision loss of profess
and Reputation Caused by the
Native Officers of Collectors office in the

on my private business leaving my own dwelling Villag
Called Mundapaudoo on the 29th March 1858 and
reached again the said my own Village on 30th M
of the same Year- After my arrival there I have examin
all the Weekly Documents that were sent from the
Circar for me and for the Village during my absence
When I found in the 36th Printed Gazette dated 7
May 1858 in which Stated that Mundapaudoo Villa
Curnum Toomalapully Somarazoo for having bee
Connected with Vunnootaramullee Nagaswara R
in reporting to Government on 7th May upon E
Seresdar of the said Zillah with false accu

and for having disappeared at the time of trial of said V. Nagaswara row he was dismissed from his Kurnum duty on the 20th April as soon as I have seen this I was quite surprized at my dismissal and applied to the Collector on 2nd June stating that I am a quite Strange to the Matter tho I have no any relationship with the said Nagaswara row and for the delivery of all Copies of records that were produced by my enimies during my absence so as to examine myself and moreover not appoint anyone for my duty (Curnumship) until I give proper answer - For which the Collector without taking any attention notice endorsed that he would not deliver the Copies of records and that I should not look the Gazettee about my

I therefore have applied to your Charetable Board with all the real Circumstances

This is the Answer for saying that I have Connected with V. Nagaswara row who had reported to the Government with same false accusations against the Head Serastadar —

1st The Said Nagaswara row was a Native record keeper in the Collectors Cutcherry with whom I have Neither acquaintance relationship nor Close friendships but without enquiring all these matters Collector affirms that I have joined with in which will appear to your Board that it quite unjust —

The following is the answer for that I have been absent at the time of Nagaswara rou's trial —

I was summoned not either by the Collector or any other lower Officers at the time of trial it is also quite unjust to believe that they have summoned me during my absence - If it be the real case, I would have been present and give my Deposition at the time of trial being informed either by my own people or Villagers - Without doing so Collecto had blamed me that I have disappeared willingly at the time of trial. This will prove itself quite unjust one

The answer for telling that I am a bad Conduct man is here under mentioned —

Since the 16th of My age up to the present 30 I am performing the Curnum duty during which Complained not upon any one or subjected Not to any Complaint attached to any of the revenue Civil or Military

nevertheless the Collector asserts that I am Conduct man without any Public records whatever which also will prove to you as an unjust —

I therefore hope that you will be kind enough t examine all the records inserted in this petition Namely. A Copy of a Petition that was given by me to the Collector 2nd. a Copy of the Collectors endorsmen 3rd Three papers that are Connected with my dismiss a of 36 No. Gazettee of 7th May 1858 and you will send for and examine all the records that are profsec about me in the Cutcherry of the Collector —

After examining all these records with perfec attention your Board will be kind enough to p tect me by regiving the said Curnums duty of ter Cancelling the Collectors unjust decision —
