MADRAS RECORD OFFICE.

Government of Madras.

Revenue **DEPARTMENT.**

G.O. No. 460	Press ~~Mis.~~
56-57	
Dated 26 - 3 - 1860.	

Not to be folded or roughly handled

Proceedings of the Madras Government, Revenue Department, for the month of March 1860.

No. 56. Read the following letter from Lieutenant-Colonel J. L. BARROW, Acting Principal Commissary of Ordnance and Superintendent of Stationery, to the Chief Secretary to Government, dated 9th March 1860, No. 283:—

Referring to the Proceedings of the Madras Government, No. 353, dated 6th instant, calling for an explanation respecting the 600 Reams of Europe Cartridge Paper indented for, on the requisition of the Inám Commissioner, I have the honor to forward the enclosed original letter* of that Officer, from which it will be perceived that this Department adopted the interpretation obviously implied, viz., that 500 Reams of the Cartridge were required for Village Registers of Ináms, and 100 Reams a year to meet the requirements of his Office; the latter appeared to me to be a distinct expenditure from the former; under these circumstances, I beg to submit that, if I have misconceived the letter of the Inám Commissioner, it is owing to the requisition having been ambiguously worded.

* (*To be returned.*)

From G. N. TAYLOR, Esq., Inám Commissioner, to the Superintendent of Stationery, Fort Saint George, dated 27th July 1859, No. 78.

With reference to the Orders of Government, No. 937, dated 14th July 1859, I have the honor to inform you that the probable quantity of Cartridge Paper at 13 Rupees a Ream, which will be required for the Village Registers of Ináms throughout the whole Presidency, will be about 500 Reams; and that the probable expenditure to meet the requirements of this Office will be 100 Reams a year. Indents in the usual form will be sent in, from time to time, as the Paper is required.

No. 57. ORDER THEREON, 26th March 1860, No. 460.

Ordered to be forwarded to the Secretary of State with an explanation of the mistake in the Indent, and with a request that One hundred Reams of Cartridge Paper fully equal to the sample may be sent out without delay.

2. A copy of Colonel Barrow's letter will be forwarded to the Inám Commissioner for his information.

(Signed) J. D. BOURDILLON,
Secretary to Government.
