Proceedings of the Madras Government, Revenue Department, for the month of March 1860.

No. 64. Read the following letter from H. CLEGHORN, Esq., M. D., Conservator of Forests, to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Utakamand, 24th February 1860, No. 918 :—

I have the honor to acknowledge receipt of Proceedings of Government, dated 13th ultimo, No. 68, Revenue Department, and as directed in paragraph 2, I enclose a Statement of the Forest Conservancy Department as it stands at the present date. From this, Government will observe, that after deducting the amount now expended from the original grant sanctioned by the Government of India, in Extract Minutes of Consultation, 19th December 1856, No. 1332, Revenue Department, there remains a surplus monthly balance of Rupees 876.

2. Under the above explanation, I trust that Government will not consider it necessary to transmit the accompanying Tabular Statement to the Government of India, as stated in paragraph 3 of the above Order. Any further delay in according sanction will seriously inconvenience the Department and impede the operations in the Sunda Táluq, which, as stated in the 2nd paragraph of my letter, dated 3rd August 1859, No. 732, are *very remunerative.*

3. The necessity for the appointment of Overseers at Halliál and Puttúr, I fully explained to Government in my letters, dated 13th July 1857, No. 95, and 8th October 1858, No. 453, which received the "approval and sanction" of Government, in Orders dated 24th July 1857, No. 737, and 11th November 1858, No. 1520, respectively.

No. 65. ORDER THEREON, 27th March 1860, No. 464.

1. It appears from this letter that the existing Establishments of the Forest Conservator's Department fall short by Rupees 876 monthly of the amount sanctioned by the Government of India on the 7th November* 1856.

	Rupees per mensem.
Establishment sanctioned	4,530
Present charge.....	3,654
Saving Rupees...	876

2. The Government, therefore, sanction as a part of the permanent Establishment, the two Overseers employed in North and South Canara respectively, viz., one at Halliál on Rupees 60 per mensem, and one at Puttúr on Rupees 80.

3. The Establishment for the Sunda Táluq will be sanctioned when the Conservator shall furnish the details, as required in the Order of 13th January 1860, No. 68. This he will be requested to do without delay.

4. The Civil Auditor is hereby authorized to pass the sums disbursed on account of this Sunda Establishment to an amount not exceeding Rupees 109 per mensem.
