Proceedings of the Madras Government, Revenue Department, for the month of March 1860.

No. 79. Read the following letter from V. VENKATACHELAM, Deputy Collector, Inám Commission, to J. D. BOURDILLON, Esq., Secretary to Government, in the Revenue Department, Fort St. George, dated Peddápúr, 12th March 1860, No. 13.

1. I beg leave to submit copies of the letters noted in the margin, and to represent that the Government having been pleased by their Orders of the 12th December last, to transfer me from my post of the 4th Class Deputy Collector and Magistrate in the Godavery District, to the Inám Commission; I have been enquiring into the Ináms of the Peddápúr and Lingamparti táluqs, agreeably to the orders of the Inám Commissioner.

1. *Acting Civil Auditor's letter, 6th February* 1860.
2. *Inám Commissioner's letter, 17th do.*
3. *Civil Auditor's letter, 2d March* 1860.

2. In reply to my reference, Mr. W. Waterfield, Acting Civil Auditor, expressed his opinion that under the Orders of Government, dated 14th June last, acceding to the recommendation of the Inám Commissioner to grant to the Deputy Collectors who may be transferred to the Inám Department, the pay of the grade next above that to which they stood appointed, I am entitled to the higher rate of salary, and informed me that he is prepared to pass it to me on Mr. Taylor certifying the same.

3. Mr. Taylor informed me in his letter of the 17th ultimo, that it will be for the Government to determine whether their Order of the 14th June can be made applicable to my case and that without its sanction, he cannot certify that I am entitled to the higher rate of salary. He added, that although he fully recognizes my claims to consideration on the score of a lengthened period of useful public service, as evinced by the favorable testimonials I possess, and willingly testifies to the value of my assistance to his Department, he does not consider in justice to the claim of several of the other Deputy Collectors, who have been connected with the Commission from its commencement, he could recommend me for promotion to the higher grade in preference to them.

4. Mr. E. F. Harrison, Civil Auditor, to whom I sent a copy or Mr. Taylor's letter, having informed me that he is unable to pass to me the amount claimed without the special sanction of Government; I respectfully solicit that His Excellency the Governor in Council will be pleased to authorize the Civil Auditor to pass the higher rate of salary, agreeably to the G. O. 14th June last, as I was transferred to the Inám Commission while I was actually performing the duties of 4th Class Deputy Collector.

5. I take this opportunity of representing that three* of the 4th Class Deputy Collectors (who did not assume their duties,) were on their transfer to the Inám Commission allowed the pay of the 3d grade Deputy Collectors; and that every Deputy Collector, (except myself,) who has been appointed or transferred to the Inám Commission, has been allowed† higher salary than that he has received prior to his transfer; and that the period of my service, which is 25 years and 8 months, is not only equal but longer than that of all other Deputy Collectors in the Inám Commission. I trust that His Excellency will consider that what I now solicited is the extension of the favor which was extended to all my colleagues in the Department.
