No. 89. *PROCEEDINGS OF THE MADRAS GOVERNMENT.*

Dated 28th March 1860, *No.* 476.

It has been suggested to the Government that the maintenance of a separate Treasury for the Madras Collectorate is unnecessary, and that the collections may be remitted direct to the General Treasury. The Government have ascertained that both the Collector and the Sub-Treasurer regard this scheme as perfectly feasible, and that the latter is prepared to carry it out; they resolve therefore to request the Board of Revenue to confer with the Accountant General and the Collector, as to the measures necessary for giving effect to the arrangement, and report the result for the approval of Government.
