Proceedings of the Madras Government, Revenue Department, for the month of March 1860.

No. 120. Read the following Proceedings of the Board of Revenue, dated 15th March 1860, No. 1,342 :—

Read the following letter :—

From W. FISHER, Esq., Collector of South Canara, to J. D. SIM, Esq., Secretary to the Board of Revenue, Fort Saint George, dated Mangalore, 6th March 1860, No. 30.

With reference to the Order of the Board (No. 4,771) under date 21st November 1859, communicating Order of Government No. 1,569, 18th November, I have the honor to state, that having failed to come to terms with the holders of the property required for the new Cantonment at Mangalore, I am under the necessity of applying for the declaration of Government required by Section 2, Act VI of 1857, together with instructions to take Order for the acquisition of the land in question.

2. The sum sanctioned by Government on the 11th November 1859 for this purchase is insufficient, and I have little doubt, that whether the amount hereafter to be paid as compensation is fixed by the Collector or by Arbitrators, it will very considerably exceed the sum of Rupees 2,263-3-9, a rough táluq estimate, furnished I believe demi-officially, to Brigadier Fitzgerald, as an approximation to the probable true value.

3. The accompanying plan shews the ground which it is now proposed to take possession of, and I trust that authority may be given for its purchase under the provisions of the Act above quoted.

Resolved that the above letter be submitted for the consideration and Orders of Government with reference to their Order, dated 18th November last, No. 1,569.

In Consultation 19th November 1859.

2. The Collector of South Canara reports that he has been unable to come to terms with the holders of the land required for the Cantonment at Mangalore and requests authority to bring, Act VI of 1857 into operation for this purpose.

3. He also states that the sum sanctioned by Government is insufficient.
