The Government sanction the continuance retrospectively from October 1859 of the two Gumáshtás employed in the Salt Amildár's Kachêri at Madura on (6) six Rupees each per mensem, pending the introduction of a new scale of Establishment as revised by Mr. Pelly.

From T. CLARKE, Esq., Collector of MADURA,
dated Madura, 14th February 1860, No. 24.

With reference to the Board's Proceedings, dated 10th July 1858, communicating the order of Government of the 1st idem, sanctioning the employment of two gomastahs in the salt department on a salary of Rupees 6 each per mensem, I have the honor to bring to the notice of the Board, that the Civil Auditor has struck out the charge in question for October last, included in the contingent bill of the Revenue department of that month sent to him for audit, with remarks stating that the term of the Government sanction in question not being limited to any period, it should be considered as authorized only for six months, which period having already elapsed a renewal of the sanction should be obtained for audit of the charge. It will be seen from the former correspondence noted in the margin that these two gomastahs have long been employed in the salt amildar's cutcherry at Ramnad and that their services are still greatly required.

To Board, 5th May 1858.
Board's Proceedings 5th June do.
From Board, 10th July do.

2. I therefore request that you will be so good as to obtain me the sanction of Government for their permanent employment.
