No. 9. Read again letter from the Superintendent of the Revenue Survey, dated 28th February, and recorded in Proceedings of Government 17th March 1860, No. 414.

Read also the following letter :—

From Captain F. J. B. PRIESTLEY, Superintendent Revenue Survey, to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department, dated Madras, 20th March 1860, No. 219.

In reply to the call made in the Order of Government, dated 17th March 1860, I have the honor to append the details of the Establishment for the Madras Town Survey, distinguishing the portion for which I draw pay from that which receives pay through the Collector of Madras.

No. 414.

2. In Extract Minutes of Consultation, 6th January 1854, No. 26, sanction is given to the employment for six months of an Establishment at a monthly charge of Rupees 375.

Paragraph 1.

3. In Extract Minutes of Consultation, 25th April 1856, "the Right Honorable the "Governor in Council entirely approves and sanctions the extension of the "Survey to other parts of the Presidency, and grants authority for the "employment of a second Survey Party for its early completion."

Paragraph 4.

4. Mr. Cunliffe, Collector of Madras, however states, "no fixed sum has been set apart "for this Survey." On determining the Establishment for each Party, the monthly charges have been sanctioned on the review by Government of the Collector's Report on the two Divisions, Saint Thomé and Nungambkam ; the subsequent expenses still require sanction.

The remainder shown has arisen from short payments—either fines or services temporarily discontinued—when the Field Survey was suspended during the preparation of the Maps.

The extra charges are not included in the sum entered in column 3, and were passed as "Sádirwárid" by the Board from time to time.

No. 10. ORDER THEREON, 2nd April 1860, No. 506.

The supervision of the Madras Town Survey having been transferred to the general Survey and Settlement Department, the Superintendent of Survey in his first letter requested to know, for the information of the Civil Auditor, if the sanction of the Government of India has been obtained for the establishment for the Survey as intended in paragraph 4 of the Order of Government, dated 25th April 1856, No. 409, and with his second letter Captain Priestley submits, agreeably to requisition, the details of the Establishment referred to.

Proceedings dated 28th October 1859, *No.* 1,465.

Proceedings dated 17*th March* 1860.

2. The Government find that by oversight the sanction of the Government of India has not yet been applied for; and they now resolve to postpone this application till the Director of Revenue Settlement has submitted the report on the Madras Survey, called for on the 28th October 1859. Attention will be called to the long time that has passed since that Order, and he will be requested to submit the report without further delay. He will submit at the same time a Statement in the prescribed form showing the Establishment which he may think necessary for the Survey.
