No. 11. Read the following Remarks of the Board of Revenue, dated 15th March 1860, No. 1,328, on the following tabular report of a lapsed Yaumia:—

No. 845, From the Collector of Madras, dated 21st February 1860.
(In Con. 23rd February 1860.)

This Yaumia has lapsed through the resignation of the late incumbent Muhammad Marúf who is represented as too old to perform the service prescribed by the grant. He recommends that his son-in-law (the only male relative that he apparently has) be appointed in his stead, and this proposal is supported by the Collector. As the Board do not see any objection to the registration of the Yaumia in the name of the above individual, who is reported fit to perform the duty of Katíb in the Mosque at Saint Thome, the Board recommend its continuance to him subject to the condition imposed upon the last incumbent, of supporting the original grantee's family.
