Proceedings of the Madras Government, Revenue Department, for the month of April 1860.

No. 28. Read the following Proceedings of the Madras Government in the Judicial Department, dated 24th March 1860, No. 364:—

Directing that the course indicated in Regulation 11 of 1859 be followed in respect to the villages held by the State Prisoners Chinna Bhúpati and Sunyási Bhúpati in Vizagapatam, and observing that the execution of this order need not disturb the arrangement relative to the village of Gundvaram now in possession of Véra Bhúpati.

(Vide Judicial Proceedings from 21st to 31st March 1860, Nos. 24-25.)

No. 29. ORDER THEREON, 3rd April 1860, No. 516.

Ordered to be communicated to the Board of Revenue for information.

(Signed) C. G. MASTER,
Deputy Secretary to Government.

PROCEEDINGS of the MADRAS GOVERNMENT.

Read the following letter from E. G. R. FANE, Esq., Agent to the Governor at Vizagapatam, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 1st March 1860, No. 78.

With reference to the two paragraphs of the Order of Government dated December 21st 1859, in the case of Chinna Bhúpati and the other rebels therein ordered to be released, in paragraph 7, the proceeds of the villages transferred to Chinna Bhúpati, were ordered to be paid to him for his support, in paragraph 8; the property of the other rebels including one Sanyási Bhúpati was ordered "to be exempted from confiscation."

2. Chinna Bhúpati and Sanyási Bhúpati are share-holders in a Mukásá granted to them, as two of the members of the Golgondah family, and are the parties alluded to in the Order of Government dated August 8th, 1859, No. 1066, Revenue Department; in this Order, Chinna Bhúpati and Sanyási Bhúpati's shares having been confiscated on account of the rebellion, the 3rd share-holder, Víra Bhúpati's portion was consolidated, and he had granted to him the whole village of Ganávaram. The chief portion of which had hitherto been Sanyási Bhúpati's share. Now if paragraph 8 of the above quoted Order is carried out, the grant of the village of Ganávaram will have to be cancelled, and the former portion held by Sanyási Bhúpati have to revert to him. I beg, therefore, that you will obtain the final Orders of Government on this point.

3. As regards Chinna Bhúpati, the Order says, "the proceeds of the villages transferred to him will be paid to him for his support;" when the villages were originally granted, they were valued as equivalent to a money allowance of 2,300 Rupees, whilst under his management they in Fasli 1268 yielded 3,981 Rupees as shown in the annexed Statement; now I wish to know whether he is to have a ready money allowance of 2,300 Rupees, or whether the villages are to be managed for him and the proceeds, after deducting Cuttoobady and charges of management, sent to him at Masulipatam.

Names of share-holders	Amount of shares.			Names of Villages in which situated.	Dowle or receipts in Fasli 1268.

4. As both Chinna Bhúpati and Sanyási Bhúpati are State prisoners, and are ordered to reside at a distance, it would perhaps be better now to deprive them of any future pretensions or chances of influence in the neighbourhood of Golgondah and to treat their lands in both cases alike, that is to say, to confiscate the shares of both and give them ready money allowances, calculated at the rate shown in the above Statement.

5. Early orders on these points are requested.

ORDER THEREON, 24th March 1860, No. 364.

The Honorable the Governor in Council is of opinion that the course indicated in Regulation II, 1819, should be followed as closely as practicable, in respect to the villages held by Chinna Bhúpati and Sanyási Bhúpati, that is, that the lands should be held under attachment and the proceeds paid to them for their support during their lives, and that on their deaths, the lands should be released from attachment and be made over to their heirs.

2. The execution of these orders need not, however, disturb the arrangement referred to in paragraph 2 of the Agent's letter, relative to the village of Ganávaram now in possession of Víra Bhúpati. The whole share in the Mukásá belonging to the latter, may still be assigned him out of the village of Ganávaram, and the residue of that village, with the portion of Waratla previously held by Víra Bhúpati, may be allotted to Sanyásí Bhúpati. The respective portions of Ganávaram which are to belong severally to Sanyásí Bhúpati, and Víra Bhúpati should be clearly marked out, and the whole village may then be left under the management of the latter, who will pay yearly the proceeds of Sanyásí Bhúpati's share to the Agent on his behalf.
