In these letters, the Collector
No. 1499. seeks for instructions in reference to
p. 9. the new divisions of the Krishna and
Godávari ordered by Government.

boundary line. The Government directed that
maléru and the Uppatéru, central streams which
uth of the Kólér lake.

on the north of the lake will cut through the
a and Tungaluneadi, that the Tummaléru branches
nd wishes to know which branch is to be taken,
nd elsewhere.

nt expressly directed that villages were not to be
divided, "in every case where a village is bisect-
ed by the stream the whole village will belong
to that district on the side of which its greater
his order when settling the boundary in detail.

ry will be expedient, and have been anticipated
by Government. The Board would recom-
mend that the line of the Tummaléru should
be followed as far only as the southern boun-
dary of the Nuzeed Zamíndári in the táluq
of Gollapully, that it should then turn to the
southern boundary of the Ellúr táluq, taking
of the Kólér lake, and so comprehend in the
q instead of dividing that táluq. The town of
ated there will have jurisdiction over the country
it formed the extreme limit of the two districts,
sturbed and the arrangement of táluqs contemplat-
gement will give about 100 square miles more to
odávari district, which is of no consequence, as
vision is already the smaller of the two. A small
of the Gollapully (Nuzeed) Zamíndári will still
e far larger portion in the Krishna division, but this
d into Krishna treasuries as heretofore.

f the Kólér lake as recommended by Mr. Knox,
villages belong to that portion of the Kycalur
of the Uppatéru stream, and the fisheries of the
eastern shore of the lake running north and south
re the Uppatéru joins the lake, will then form the
a forming the remainder. This division will also
mplated by Mr. Pelly. The Board while making
ap, forwarded to their colleague by the Collector,
mmunication.

oposition for dividing the district, the Collector
