MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers:—

From the Commissary General, Madras, 22nd June 1860, *No.* 135; *to the Secretary to Government, Military Department, Fort Saint George.*

In my personal communication with the Military Finance Commission when here, I suggested the Commissariat being relieved from the supply of the numerous Civil Dispensaries, which have no connection whatever with the Military Commissariat, and tend greatly to distract the attention of Executive Officers, and to delay the rendering of accounts, and I now observe, in the Report* of the Commission to the Government of India, that my suggestion has been advocated. I have therefore the honor to beg, that you will submit to the Honorable the Governor in Council my respectful request, that the Civil Authorities may be directed to make arrangements for supply of all Civil Hospitals and Dispensaries, their Bills being sent if necessary to the Auditor of Commissariat Accounts, or Civil Auditor direct for audit.

*Page 16.

I beg to submit a list of Stations where these Hospitals are, at most of them there had been Detachments of Troops, and the Purveyor who supplied Barrack and Hospital articles to the Detachment also undertook to supply the Dispensaries without the necessity of employing a separate Purveyor, but now that these Detachments will be withdrawn, if the Dispensaries are supplied by the Civil Authorities, the discharge of these Military Purveyors may take place and cause some saving to the State.
