Proceedings of the Madras Government, Revenue Department, 5th July 1860.

No. 53. Read the following letter from Messrs. BINNY and Co., to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 3rd July 1860 :—

We have the honor to hand you annexed copy of a letter from Lieutenant Saint George Caulfield to our address, and shall feel obliged if you can afford us the information therein required, or put us in the way of obtaining it for Lieutenant Caulfield.

From Lieutenant SAINT GEORGE CAULFIELD, 35th Regiment, M. N. I., to Messrs. BINNY, and Co., Madras, dated Gooty, 26th June 1860.

My brother who is at present in Ceylon, is thinking of coming to India to set up a Coffee Plantation in North Canara in the jungles near Juggulpett (i.e.), about 30 miles west of Dharwar on the western Ghâts. I shall feel exceedingly obliged if you will give me any information in your power in the matter. And if it is not trespassing too far on your kindness as my Agents, I shall feel obliged by your finding out from Government what they would let the land per acre for Coffee planting purposes ; also, any other information which would be likely to prove useful to an intended settler, which you, no doubt, are much better acquainted with, than I can possibly be. Hoping you will excuse the trouble I am putting you to.

No. 54. ORDER THEREON, 5th July 1860, No. 1,110.

Messrs. Binny and Co., will be informed that they should apply to the Collector of North Canara for the information which they require.

(Signed) J. D. BOURDILLON,
Secretary to Government.
