Proceedings of the Madras Government, Revenue Department, 5th July 1860.

No. 55. Read the following letter from H. CLEGHORN, Esq., M.D., Conservator of Forests, to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Bangalore, 27th June 1860, No. 45:—

1. I have the honor to acquaint you for the information of the Honorable the Governor in Council, that I have selected Mr. Fuller (who has shown capacity for such employment), as Overseer for the conservancy of the Sandalwood jungles in Ossúr and Denkinacottah, from the 15th current, on a salary of Rupees 60 per mensem.

2. The duties which I propose to assign to Mr. Fuller are to inspect and register the Sandal trees, to watch against theft, to encourage the free growth of seedlings, and to prepare and sort billets for sale according to quality.

3. Mr. Fuller will also be engaged in marking, numbering and registering other forest trees for the Bangalore Branch Railway. It is anticipated that the conservancy of the jungles in question will amply cover the salary, I request, therefore, Government will be pleased to accord sanction to this arrangement.

4. To enable Mr. Fuller to commence operations, a sum at least of Rupees 250 will be necessary for the payment of labourers, purchase of a weighing machine for Sandalwood, the erection of a godown, &c., I have to solicit, therefore, that Government will be pleased to sanction this amount.

P. S. In terms of Extract Minutes of Consultation, dated 19th August 1858, No. 1,157, Revenue Department, I have this day addressed the Collector of Salem requesting him to give over charge of the Guddagavel Forests to Mr. Fuller to be worked in future by my Department.

No. 56. ORDER THEREON, 5th July 1860, No. 1,111.

Before sanctioning the appointment of Mr. Fuller as an Overseer in the Forest Department applied for in this letter, the Government request the Conservator to state from what funds he proposes that he should be paid.

(Signed) J. D. BOURDILLON,
Secretary to Government.
