## *Proceedings of the Madras Government, Revenue Department, 11th July 1860.*

No. 114. Read the following letter from F. LUSHINGTON, Esq., Acting Accountant General, to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated 7th July 1860, No. 105:—

In carrying out the recent Orders of Government* to do away with separate Cash-chests and Treasure guards, and to establish in lieu, a general system of banking, I find great inconvenience is felt by the Commissariat Department at Vellore from the nearest Táluq Treasury, viz., Pallikonda, being 14 miles, and the Húzur Treasury, at Chittoor, 21 miles distant. Mr. Eliott, the Acting Sub-Collector is stationed at Vellore, and has a small deposit of money in the Stipend Pay Office, of which he is in charge, sufficient to meet the disbursements of his Office. As Vellore is the Head Quarters of the Pay and Commissariat Department of the Central Division, I have the honor to suggest, that it would be both more convenient and economical if the Táluq Treasury were located at Vellore. I beg that I may be favored with early orders, as the Sub-Assistant Commissary General has represented* to me through the Commissary General "the inconvenience to which merchants will "be put in drawing their bills at such distances, and the reluctance to deal with the Depart- "ment, which will probably be the consequence."

* *In the Military Department, No.* 1,305, *dated 3rd April* 1860.

* *Letter, No.* 49, *dated 27th June* 1860.

No. 115. ORDER THEREON, 11th July 1860, No. 1,141.

Referred to the Board of Revenue for report, after communication if necessary with the Officers and Departments concerned.

Suggests that as a General System of banking has been established in regard to the Commt Department under Orders of Govt it would be both more convenient & economical if the Taluq Treasury were located at Vellore instead of at Pallicondah.
