Proceedings of the Madras Government, Revenue Department,
11th *July* 1860.

No. 116. Read the following letter from C. PELLY, Esq., Member of the Board of Revenue, to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department, dated 2nd July 1860, No. 355 :—

Circulars, dated 25th April and 16th June 1860, with reference to the Orders of Government, dated 11th April 1860, No. 555.

* *25th June* 1860.

You are aware that Collectors have been directed to introduce the new Húzur Establishments immediately; and in no case to retain them beyond the end of the fasli (just expired.) I have now the honor to submit an application * from Mr. Silver, Collector of Tinnevelly, requesting for very special reasons to be allowed to retain his present Establishment until the 1st of August. The reason for special exception from the rule laid down, advanced by Mr. Silver, is that he has, had neither a Sub-Collector or Head Assistant capable of assisting him in the Annual Revenue Settlement, which has devolved on himself alone; and that it has been impracticable for him to finish it within the fasli year. As it appears that the cause of delay in completing the Jamabandi does not rest with the Collector, and as great inconvenience would result by requiring him to introduce the new Establishment before the completion of the Settlement, I have the honor, with the concurrence of the Board, to request that he may be permitted to retain his old Establishment till the 1st August.

No. 117. ORDER THEREON, 11th July 1860, No. 1,142.

Under the circumstances represented in this letter the Government permit the Collector of Tinnevelly to postpone the change in his Húzur Establishment till the 1st August next.

(Signed) J. D. BOURDILLON,
Secretary to Government.
