PUBLIC DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Proceedings of the Government of India, in the Home Department, dated 20th June 1860, No. 1,299.

Read Despatch from the Right Honorable Sir CHARLES WOOD, Bart., G.C.B., Secretary of State for India, to His Excellency the Right Honorable the Governor General of India in Council, dated London, 16th May 1860, No. 72.

Para. 1. It has been brought to my notice, that by the Southampton Mail from India, of the 20th April, four closed and sealed packets, containing copies of the printed Report of the Director of Public Instruction, North Western Provinces for 1858-59, were received in this Office, the postage on which amounted to £37-12-0, whereas, had they been forwarded as freight, the cost would have been about £3, and the delay in delivery two days. They appear to have been posted at Benares, the direction label on one of them is herewith forwarded.

2. I have to request that the attention of all individuals, whose duty it is to make up the packets addressed to this Office, may be recalled to the instructions issued by the late Court of Directors in their Despatch in this Department, dated 21st February, No. 29, 1855, wherein it is directed, that printed books be forwarded under the Regulations of the Book Post, or sent in a box as freight, in the Steamer conveying the mails.

Copy forwarded to the Government of the North Western Provinces, for information and guidance, together with the label referred to in paragraph 1, and a copy of the Despatch of 21st February 1855, referred to in paragraph 2.

No. 1,299.
