In continuation of my letter No. 18, dated 10th ultimo, I have the honor to annex a copy of a communication No. 84, dated 14th instant, received from the Deputy Commissioner of Raipore, reporting the issue of instructions by the Rájá of Bustar to the Bijji Zamíndár prohibiting the levy of duty upon the Salt sold at the Depôt at Manik-deo-kunta ; and to state that I propose establishing a news-writer at the Depôt as soon as the season will admit.

Copy of a letter No. 84-41, *dated 4th June* 1860, *from the Deputy Commissioner of Raipore, to the Commissioner of Nagpore.*

1. In continuation of my letter No. $\frac{47}{28}$ of the 7th ultimo, I have the honor to report that in a communication received from the Rájá of Bustar, dated the 21st of May, he states that Orders have been issued by him to the Bijji Zamíndár, forbidding the levy of duty upon the Salt sold at the Depôt of Manik-deo-kunta, and he has been assured that it shall not be done.

2. It was my intention to have sent for the principal Naiks of the large tribes of Brinjaries in this District, to endeavour to induce them to avail themselves of the advantages held out by the establishment of the Depôt ; but on account of a feud between the two large tribes, I have not been able to secure their attendance at my Kacherí before it became too late in the season. I shall do so, however, soon after the rains.

3. I propose, should you have no objection, as soon as the weather permits, to depute the news-writer at Jugdulpoor to visit Manik-deo-kunta, to enable me to report more clearly and accurately upon the station and its prospects.
