Proceedings of the Madras Government, Revenue Department,
16th July 1860.

No. 178. Read the following letter from T. CLARKE, Esq., Member of the Board of Revenue, to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Nellore District, Tupili, 26th June 1860, No. 14 :—

With reference to paragraph 8 of the Order of Government on the Proceedings of the Board of Revenue, held on the letters from the Collector of the Krishna District, reporting on the improvements required for the effective Salt administration of his District, I have the honor to report that having been informed that it was in contemplation to carry out the transfer of Chinna Ganjam and the adjoining villages to the Nellore District at the close of this month, I have written to the Collectors of Nellore and Krishna requesting them to postpone the arrangements till they have received further Orders from Government on the matter. It will not be in my power to be at Chinna Ganjam earlier than the middle or the close of next month, as the difficulties of transit and locomotion over the heavy sand tracks I have to pass over are not small and greatly retard my progress, and the number of Pans and Platforms to be visited in this District are unusually numerous.

It appears to me that if the transfer be eventually determined on, the commencement of the year when the Salt operations commence will be as good a time as any.

No. 179. ORDER THEREON, 16th July 1860, No. 1,174.

The proceeding reported in this letter is approved.

(Signed) J. D. BOURDILLON,
Secretary to Government.
