No. 182. Read the following letter from JAMES INNES MINCHIN, Esq., Acting Collector of Kurnool, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 7th July 1860, No. 24:—

1. I have the honor to lay before the Government, an application from Mr. DeFabeck, the Civil Surgeon of Kurnool, for permission to repair, and temporarily occupy the old Public Bungalow at the station, until he can succeed in securing some other place of residence.

2. The old Public Bungalow is deserted, and it was proposed by the District Engineer to pull it down, and erect a Soldier's Shed with the materials. This destruction I, however, deprecated, as it did not appear that the necessary repairs of the Bungalow, so as again to make it habitable, need be of a very expensive nature, and the accommodation of a second Bungalow would be very useful.

3. By granting Mr. DeFabeck's request, the Bungalow will again be made habitable without expense to Government, and will after a time be of great use to the community.

4. I would beg to recommend that Mr. DeFabeck be permitted to occupy the old Bungalow for one twelve month, on the proposed condition of putting it into repair at his own expense.

From W. F. DeFABECK, Esq., Civil Surgeon of Kurnool, to J. INNES MINCHIN, Esq., Acting Collector of Kurnool, dated 30th June 1860.

Having just arrived at Kurnool to take up my appointment as Civil Surgeon of Kurnool, and finding it impossible to obtain a house suitable for a married man, I feel myself obliged to apply to you for permission to reside in the old Public Bungalow (after I have put it in repair) near the river-side, as I find with a small outlay it could be converted in the course of a few weeks into a suitable dwelling house for my wife and myself.

2. The house is at present in an uninhabitable condition and my wife and I have to resort for the present to the new Traveller's Bungalow. I may mention that Dr. Ratton has been good enough to use his utmost endeavours during the last month to secure a house for us but without success.
