No. 35. Read the following remarks of the Board of Revenue, dated 21st December 1859, No. 5327, on the estimates of extra charges proposed to be incurred in fasli 1269, in the undermentioned districts:

Military, No. 3383, 24th in Con. 30th July 1859.
„ „ 4075, 28th Sept. in Con. 8th Oct. 1859.
„ „ 4849, 14th Nov. in Con. 3rd Dec. „

Of the amount of the Kanara estimate, Rupees 452 have been already expended in the purchase of 30 new and repair of 61 old markals for measuring salt, the number available having been found insufficient to unload with the requisite expedition, the vessels which conveyed East Coast salt to that district during the late season.

2. The Collectors of Kadapa and Ganjám are requested to omit fractions of a Rupee in their future estimates as directed by Government in their order, No. 347, dated 31st March 1856. (Vide C. O. Book for 1856, p. 43). The latter officer will also see that the amount of the previous year's estimate is invariably to be shown in the 3rd column when the actual charges for that period are not known.

3. With reference to paragraph 4 of the Proceedings of Government, No. 1013, dated 27th July 1859, on a former batch of estimates, the Board observe that the cost of certain articles entered in the estimate of the Orissa Agency was excluded, as the expenditure had been previously sanctioned by them under the general authority delegated to heads of departments in Extract Minutes of Consultation, in Revenue Department, No. 185, dated 12th February 1858, to pass estimates under 100 Rupees in amount.

In Con. 1*st August* 1859, *No.* 3850.

C. O. Book for 1858, *page* 12.

4. The information required in paragraph 6 of the same order (27th July 1859) in regard to the expenditure on account of the jungle products of Striburricotta has been called for, and will be laid before Government when received.

In Con. 1*st August* 1859, *No.* 3850.

5. Reminders have been sent to the districts from which no estimates have yet been received.
