No. 199. *PROCEEDINGS OF THE MADRAS GOVERNMENT.*

Dated 18th July 860, *No.* 1,184.

1. The "Madras District Gazette" of the 7th instant, contains a Notification by Deputy Collector Rangaswmi Aiyangr that after the 1st proximo Stamps will not be sold or pensions paid at his office after 2 o'clock P. M. The cause of this order is stated to be that the receipts have to be remitted daily to the General Treasury before 3 P. M.

2. Such a restriction must cause inconvenience to the public; and in the opinion of Government it is unnecessary, even on the present plan of a daily remittance to the General Treasury. Either the bulk of the amount in the Deputy Collector's charge should be sent to the Treasury daily before 3 P. M., but without stopping the receipts and payments for the day; or the receipts of each day should be sent to the Treasury the next morning. The Board of Revenue will be directed to communicate with the Collector on the subject, and to give effect to one or the other of these plans, as may seem best, with the necessary subsidiary provisions. This arrangement to take effect from the 1st proximo, in supersession of that announced by the Deputy Collector.

3. The Governor in Council observes also that such a notice should be issued under the orders of the Collector.

(Signed) J. D. BOURDILLON,
Secretary to Government.
