Proceedings of the Madras Government, Revenue Department, 18*th July* 1860.

No. 202. Read the following Despatch from the Right Honorable Sir C. WOOD, Bart., Secretary of State for India, to His Excellency the Honorable the Governor in Council Fort Saint George, dated India Office, London, 15th June 1860, No. 37 : —

1. With your letter of the 25th April last, (No. 37) you have submitted for the decision of Her Majesty's Government a claim advanced by Mr. W. E. Underwood, Collector of Customs at Madras, to the difference between the amount at which the Commission on the Customs Revenue was commuted in 1857, and the amount which he would have received, if the former arrangement had not been interfered with.

2. I have carefully considered all the circumstances of the case, and in common with the majority of your Government, I am unable to recognize the justice of Mr. Underwood's claim, while, considering the large amount of that gentleman's actual emoluments, it does not appear to me that there is any ground for exceptional indulgence towards him.

3. I must therefore decline to authorize any re-adjustment of Mr. Underwood's allowances on the principle which he desires to be applied to them.

No. 203. ORDER THEREON, 18th July 1860, No. 1,186.

Ordered that this despatch be communicated to Mr. Underwood through the Board of Revenue.

Secretary to Government.
