Proceedings of the Madras Government, Revenue Department,
19th July 1860.

No. 219. Read the following Proceedings of the Board of Revenue, dated 26th June 1860, No. 2,959 :—

Read Proceedings of the Madras Government, dated 8th June 1860, No. 946, communicating certain remarks on the Board's Report for February and March last, of the progress made in the preparation of the village Register A.

1. Resolved that the foregoing Proceedings be communicated to the Collectors of the Districts noted in the margin for their information and guidance.

Ganjam. *North Arcot.* *Madras.*
Salem. *Tanjore.*

2. The attention of the Collector of Ganjam is particularly requested to the remarks of Government in paragraph 2. During the last eight months, i. e., since September 1859, no progress has been made in his District, and the plea of the Karanams having been engaged in the preparation of the settlement accounts will not be admitted by Government. On the receipt of these Proceedings Mr. Forbes is requested to inform the Board, whether any progress has been made during the last month or two. If nothing has been done, he will adopt measures, at once for completing the Registers for the remaining villages and report the same for the information of the Board. They presume that the settlement has now been concluded and that the Karanams' services are, therefore, fully available for this work. The monthly Progress Reports should also be punctually submitted in future.

3. The Collectors of Salem, North Arcot, Tanjore and Madras, will give their immediate attention to the remarks of Government in paragraph 3. The Board hope no occasion will be given for similar observations in future.

4. The Board observe that of the 52 Saidápúr villages, the Registers of 42 were completed by the end of April last, and those of eight villages are under preparation. These results will be shown in the Board's Progress Report for April, which will be shortly submitted to Government.

5. The Board resolve to forward a copy of these Proceedings to Government, for their information, with reference to their remarks on the Saidápúr villages.
