Proceedings of the Madras Government, Revenue Department,
20th July 1860.

No. 233. Read the following Extract from the Proceedings of the Government of India, in the Financial Department, dated 9th June 1860, No. 5,150 :—

Read an endorsement from the Home Department, No. 983, dated the 12th ultimo, forwarding for consideration and orders a letter from the Madras Government, with its enclosures, on the subject of an increase to the salary of the Master Attendant at Tuticorin.

RESOLUTION.—The Governor General in Council observes that, on a representation from the Collector of Tinnevelly that the salary Rs. 200 allowed to Captain Phipps, the Master Attendant at Tuticorin, was very inadequate to the duties performed by him, and that he was entitled to some consideration on account of the very responsible and onerous duty of inspecting and guarding the Pearl Banks assigned to him, the Government of Madras allowed in anticipation of the sanction of this Government an increase of 100 Rupees per month to his salary.

2. His Excellency in Council is pleased to confirm the sanction of the Madras Government; but he remarks that no sufficient reason is shown for anticipating the decision of this Government, and requests that in future such a course should not be taken, because officers are only exposed to disappointment if the decisions of the local Governments are not confirmed.

3. His Excellency in Council at the same time directs the attention of the Civil Auditor at Madras to the instructions contained in paragraph 8 of the Financial Resolution No. 1,681, dated the 26th March 1858, as to the course he has to pursue in cases in which the Orders of the local Government may not appear to be in accordance with the Orders of the Government of India.

Ordered that a copy of the above Resolution be forwarded to the Home Department for communication to the Government of Madras ; the original papers received from that Department being returned.

Ordered also that a copy of the Resolution be sent to the Civil Auditor, Madras, for information and guidance.
