Proceedings of the Madras Government, Revenue Department
21st July 1860.

No. 243. Read the following Proceedings of the Board of Revenue, dated 10th July 1860, No. 3,178 :—

Read the following letter from J. W. B. DYKES, Esq., Collector of Nellore, to J. D. SIM, Esq., Secretary to the Board of Revenue, Fort Saint George, dated 21st June 1860, No. 88 :—

1. I have the honor to submit herewith the Return of Cultivation and Rain-fall up to May last.

2. This Statement was given to the Press for insertion in the last District Gazette, as required in the 6th paragraph of the Proceedings of the Board, dated the 25th April last, but for want of materials the Statement was not gone through, and though it is to come in the next Gazette, a separate copy in English is sent that the information may be before the Board in time.

3. I beg also to send a Memorandum of Press materials which are needed for striking off the several Returns which, under the Board's instructions, are required to be published in the District Gazette, and to request that I may be supplied with them at an early date to avoid the recurrence of a similar difficulty.

Resolved that the Memorandum received with the foregoing letter for the types, &c., required for the Nellore Press, be submitted to Government with a request that the Superintendent of the Gazette Press may be instructed to supply the Collector with them, as soon as possible. This extra quantity appears necessary to enable the Collector to publish several Statements in the District Gazette, as ordered by the Board.
