Proceedings of the Madras Government, Revenue Department, 23rd July 1860.

No. 257. Read the following Proceedings of the Board of Revenue, dated 6th July 1860, No. 3,115:—

Read the following letter from B. CUNLIFFE, Esq., Collector of Madras, to J. D. SIM, Esq., Secretary to the Board of Revenue, dated Saidapet, 19th June 1860, No. 205:—

1. Adverting to the Order of the Board dated 27th April last, No. 2,070, giving cover to the Proceedings of the Madras Government of the 14th idem, No. 563, I have the honor to state that the difference noticed by Government between the extent of land mentioned in the two statements which accompanied Mr. Shubrick's letters of the 29th May 1857, No. 145 and 28th January 1860, No. 29, arises from the following causes:—

Name of village.	Names of Inámdar.	Total ayacut nunjah.			Inám included in the road.		
Porur.....	Water pandal.	2	0	14	0	0	8
Do.	Carpenter	1	1	0			
Nunthumbakum.	Calendar maniem.	0	8	12	0	0	6
Do... ...	Washerman and Barber.	0	13	2	0	0	6
	Total..	4	7	12	0	1	4

2. Of the Inám lands, kanis 6-7-14, actually included in the Púnamalli road, as entered in the statement which accompanied Mr. Shubrick's letter of the 29th May 1857, k. 0, a. 1, c. 4, of land, held by four persons, in the proportions marginally noted, was excluded from the second statement, recently submitted by that gentleman, apparently under the impression, that it was unnecessary to grant other lands in lieu of that which severally was so inconsiderable.

3. With the remaining lands, kanis 6-6-10, the Inámdars having claimed other lands in lieu of a further extent of k. 2, a. 0, c. 14, rendered unfit for cultivation, consequent upon the road absorbing the best portion of it, and earth having been excavated therefrom, Mr. Shubrick recommended, in his second letter of the 28th January 1860, that kanis 8-7-8, comprising the two extents above noted, should be granted. This explanation will, I trust, account for the difference of k. 1, a. 15, c. 10, existing between the two statements, as noticed by Government.

In Cons., 16*th April* 1860. 1. Submitted to Government with reference to paragraph 2 of the Order, dated 14th April 1860, No. 563.

2. It will be perceived that the difference in the extent of land taken up for the Saint Thomas' and Púnamalli road, as stated in the papers submitted with the Board's Proceedings, dated 27th August 1857, No. 2,861, and in their Proceedings, dated 12th March 1860, No. 1,249, arises chiefly from additional land being included in the latter case, to the extent of k. 2 a. 0, c. 14, on account of lands partly absorbed by the road, and partly rendered useless by earth being excavated therefrom.
