No. 44. Read the following Proceedings of the Board of Revenue, dated 11th January 1860, No. 142.

Read letter from the Collector of Madura, dated 23rd December 1859, No. 253.

(In Cons. 29th December 1859, No. 6486.)

In the above letter, the Collector reports the death on the 4th August last of V. Addapa Naik, the Pálayagár of Addapanaikanúr, to which he succeeded in 1849.

2. The deceased has left no male issue and in accordance with the usages of his caste, the Kumbala Tottea, his half brothers succeed in preference to his two widows and seven daughters. There are three half brothers alive, *viz.*, Mutusámi Naik, Seerenga Naik and Virama Naik.

3. The alleged ages of the first two are open to question. They appear to Mr. Clarke to be respectively 16 and 14 years old, and this corresponds with a report made by Mr. Parker in 1849, when their father died. They claim, however, to be respectively 25 and 18. The youngest brother is said to be 12 and this agrees with Mr. Parker's report which made him one year old in 1849.

Dated 15th, in Consultation, 29th January 1849, *No* 235.

4. The object of the brothers, is of course to obtain immediate management of the Pollium without the intervention of the Court of Wards, but the Board concur with the Collector in considering the eldest under age, attaching as he does greater weight to Mr. Parker's description when there was clearly no inducement to under-state the youths' ages supported as that description is by their present appearance, than to the assertions now made with an obvious inducement, and no other support than a vague horoscope.

5. The Pollium pays an annual peshcush of Rupees 2,583-15-4 and its revenue is about Rupees 4,000. There is no balance against it and Mutusámi Naik, the elder brother is said to be a young man of some capacity and character. He has requested that his mother may be nominated as his guardian and Dódia Naik his father-in-law as manager of the Pollium.

6. Dódia Naik is represented to be much respected and competent to guard the interests of his son-in-law.

7. These arrangements are recommended by the Collector, and the Board request sanction for giving effect to them.

8. The Collector will merely exercise a general control over the estate.
